Chapter 1 - Why are we so mean?

1 - Why are we so mean?

Why are we so mean?

What is it that drives us to do what causes others harm?

Is it the little devil that sits on our shoulders?

Or the fact that people crowd around them because they're so nice

So we become a third wheel and are ignored

Sometimes we may twist their arm

Or talk about them behind their backs

Whatever it is, it makes us feel better when we belittle them like mice

But then we are completely taken out of the group because we aren't adored.
