1 - The Beginning

We are now entering a story that unveils everything that Jackie goes through in Yami and Atem's world whom might have made Jackie sad, evil, unwanted, and loved.

Atem slowly starts acting weird and it's freaking out Tea, Jackie, Yugi, Joey, Tristan, Kaiba, and Marik.

Jackie is the only one who can stop Atem and Yami's past and future come to one in a matter of winning the heart of the Pharaoh.. more chapters too come right now Jackie is not ready to come we must go to where Atem{the future} meets Jackie for the first time in a millenia.

Atem is a very determined Pharaoh and gets anything that sounds good to him, he gets {lets just say} anything he wants and at first he's protective over Jackie for some reason. Kaiba, when Atem and Jackie go to meet Kaiba, automatically he falls in love with Jackie as soon as he meets her and every boy that Jackie meets except Joey and Tristan.

I will put more up later but now it is time for bed. and I must say thank you all for reading more is soon to come please tell me if this is good or not.
