"I wonder what the new boy will be like?" She thought as she saw her best mate Stevie.

She called Stevie to wait for her as she walked across the road. When she finally caught up to him, panting like mad spluttering all over the place Stevie asked;

"You're sooooo unlucky to sit next to the lad, Jess" teased Stevie. "Why?" Groaned Jess as she sat next to a little weirdo all year even in form! This was her one chance to sit next to someone normal.

"Well apparently he has a big nose and spits all over you so it feels like it's raining" laughed Stevie. "He sounds better than all the mings I have to sit next to!" remarked Jess. So in silence they carried on walking to school along Hunt Road.
