Chapter 2 - chapter 2: meeting the sonic characters	3

1 - the beginning

me and lakeis, my best friend always wanted to go to the sonic world but we never knew it would really happen until the day lakeis found a mysterious book in her room.

~story start and at my house~

my mom called me down from my room. ~oh no what did i do now~i thought. i walked downstairs to see my mom standing there with the phone in her hand. "here it's lakeis"she said and handed me the phone. i sighed in relief and took the phone. "hey lakeis what's up"i asked. "do you think you can come over to my house i need to show you something"she said. "um ok i guess i can"i said. "ok see ya when you get here Jess"she said and hung up. i hung up. yeah that's my name, Jessica, but my friends just call me Jess or Jessie. i walked out the door and walked to lakeis's house.

~lakeis's house~

i knocked on the door and lakeis answered it. "hey Jess follow me hurry"she said kind of excited. i walked in her room and she showed me a big brown book. it had no title or anything. she opened it and pointed to one of the pages. "look what it says right there"she said. "take us to the sonic world where no human has ever been"i said wide-eyed. then a purple portal (why thats a tongue twister) popped up out of no where. "should we go"i asked. "oh come on you wimp if its something to do with sonic it has to be good"lakeis said and pulled me in the portal. then everything went black.

2 - chapter 2: meeting the sonic characters

~a few hours later~

i woke up to see a fox staring me in the face. "hey guys! she's awake!"he said. i sat up. "where am i"i asked. "you're at my house"a human boy said about close to my age. "where's lakeis"i asked. "lakeis"the fox asked confused. "yeah she is a friend of mines"i said. "well maybe she'll find this place and come in"a blue hedgehog said. "fine! but if she's not here in a few minutes im going out to find her"i said.

~lakeis's POV~

i woke up to a bright sun and i heard the crunching of metal. i looked over and seen a red echidna fighting a robot. ~knuckles!~i thought. i got up and punched the robot making it K.O. "oh good you're awake hi im knuckles"he said. "im lakeis"i said. "follow me i want you to meet everyone else"he said and ran off. i followed.

~my POV~

"alright! its been too long im going to go find her!"i said and got up. i ran to the door and opened it. i seen a light blue echidna wearing a light blue shirt with a crescent on her chest and she wore purple and pink pants with purple and pink shoes and gloves like knuckles but they were purple and pink too and there was a red echidna next to her. "lakeis"i said confused. "Jess!"she said. "thank god i was just about to look for you!"i said and let them in. "hey Jess do you realize you're a fox"lakeis asked. "no but do you realize you're a echidna"i asked. "no!"she said. "wait! woah, woah, woah, waoh!"knuckles said, "explain all this to us". me and lakeis explained the story about how we got here and junk. "oh ok"sonic said. everyone introduced theirselves. "hey guys"i said. "do you have a mirror"lakeis asked. "yeah righ there in the hallway"knuckles said and pointed to the hallway. we walked over to the mirror (its like one of those full body mirrors). in the mirror i seen a pink fox with a black shirt, camoflaug pants, and black shoes and my gloves were black and they had the fingers cut off. "wow!"me and lakies said at the same time. we walked back in the living room. "this is the awesomeness"i yelled. "you got a big mouth"lakeis said. "i know, now if only"i got interrupted(sp?) by someone knocking on the door. sonic answered it, there was a chameleon (sp?), a crocodile, and a bee standing there. "ESPIO!"i yelled and hugged the chameleon. "who is this"he asked. "im Jessica and that's lakies"i said and pointed to lakeis. "im charmy!"the bee said. "im vector"the crocodile said. "and im espio"the chameleon said. "you better have a good reason for being here"knuckles said. "eggman is destroying town square"espio said.
