*I've read Kitsune's Yaoi Rant and loved it, so I decided to take it one step further by defending yuri, too!

1 - Yuri is important, too.

Hi, I'm junana107! I agree with a lot of what Kitsune had to say in her yaoi rant, but I'm here to protect yuri, too!

For those who don't know, yuri is girlxgirl relationships. I know that most of the people who read yuri are perverted boys, but there is a good side to yuri, too. And I can't stand people you fight for yaoi, yet get all homophobic when it comes to yuri. To me, it's all Love, and you can't restrict that. Unless of course it's incest or Lolita because to me that's just wrong. You can call me a hypocrite if you like, but that's just the way I feel. And another thing that gets me upset is the fact that it seems like you can't defend a gay person or they think you're gay, too. I am straight, yet I see nothing wrong with gays and lesbians. Like I said, it's all love to me! So support yuri on the net as well as yaoi!
