3 - Uh-oh someone's in trouble

Tails and Cream

Chapter3

Uh-oh someone's in trouble.

Next Day at School

The sun was bright and not a cloud was in sight.

Flowers were blooming, and the grass was greener than ever.

The confused two-tailed fox walked inside the school building.

There he saw his classroom. He was approaching the door, just as he reached for the doorknob someone tapped him on his shoulder.

He quickly turned around to see an upset principal.

Tails: Why Mrs. Cobin, hehe what are you doing here?

He got that innocent look on his face.

She said nothing but signaled him to follow her, and he did so.

Mrs. Corbin always wore a black suit when she knows someone was going to get in trouble that day. I bet you can guess what she was wearing that day.

As they were walking down the hallway all Tails could think about was what going to happen next. Was he in trouble? If he was in trouble this could go on his permanent record. Tails never got in trouble before. Meanwhile a little rabbit came in the school building to see her hero walking into the room with those six horrifying words on them. O-F-F-I-C-E. Tails did not notice her as all he could think of was what did he do.

4 - Spying

Tails and Cream
Chapter 4 spying

Being her curious self she flew up into the air vent.

She started using the walls of the airvent to pull herself up.

After a few seconds of climbing she found a horizontal path leading to the office. When she finally reached her destination, she saw Tails pacing around the room. It seems the principal had left Tails in a room.

Just as Cream was about to call out to him the door opened. Just then Tails turned around to see the principal come in. He also saw those guys he took care of yesterday.

Cream thought to herself: What are those bullies up to now!

Cream listened carefully.

Mrs.Corbin: Miles...

Tails: Call me Tai-

Mrs.Corbin: Whatever. Miles I've heard some terrible thongs about you. As you are a star student, I am very displeased.

Tails walked over to the nearest chair and hopped up into it. He crossed his legs and, and folded his fingers in his lap.

Tails: What have you heard Mrs.Corbin.

Then he looked at the bullies.
