Chapter 1 - our different ways

2

1 - our different ways

i left u i ran away i hid my tears i fled ur eyes
i still hear ur voice i need u back
i miss ur tender kiss ur arms around me
the feeling of ur skin still lingers on mine
ur child i want to have, to give
i need ur love and ur sympathy
ur kiss is what i live for
my heart is still it will only beat for u
i need ur love
it once was my life
and now i must be dead i need u
give me life
give me love
