Chapter 1 - trying

1 - trying

as i sat on the lonely steps that lead to ur front door
i read your name carved in my arm
that fear i have no more
a kiss hello and a wave goodbye
a singel tear dose fall from my eye
the night is black just as my blood
no feeling
not a crime
i hold u close but i do still cry
this feeling i have why ? why?
the wind blows cold and harsh
as for i flew away and left u behind
this was my true crime
i deprived us of our love and hope
i broke away to leave u behind
i miss u
* kisses you*
