"Kakashi look out!" came a voice. Kakashi turned around and found Sakura Kishimoto 3 standing in the dust. Her long brown hair flowing in the wind. She was taller than most women. "Good to see you again." Sakura said. "Well, well look who finally came to say hello, Sakura Kishimoto 3. The famed assassin of the leaf village. Also one of the legendary samurai." Kakashi said. "Good to know that you remember me." She replied. A ninja from the land of the sound was ready to strike. Sakura turned around and stabbed him in the heart. They fought together until the war was over and the funeral for the hokage was over.

"Look I know I've been gone a while, but under the order of the hokage, I watched over you and your team." Sakura replied. Kakashi was just silent. "I still love you, if that even matters." She cried. Kakashi put his arms around her. "I still love you too." He replied. They turned around and kissed. "Will you marry me?" He asked. "Yes" Sakura replied.

The next day, Kakashi introduced her to everyone. "Naruto, Sasuke, Sakura. This is my new fiancée Sakura Kishimoto 3." Kakashi said.

Everyone was shocked.

"You're telling me you're marrying that broad." Naruto asked. Just when he finished , Sakura ran and pinned him to a wall. "Look little kid, I am more dangerous then anything you;ve met, including Zabuza."Sakura said. Naruto was frozen in fear. "Now now, everyone calm down." Kakashi said. "You can scare naruto real easly, you don't seem dangerous." Sasuke said. This time Sakura used her medical justu and Sasuke fell to the ground. "oh no Sasuke." The pink hair ninja said. "That will ware off in a few minutes.'Sakura said. "Anyway how do you know about Zabuza?" Naruto asked. "The hokage sent me to watch over your group. I did and I found a lot of intersting things." She replied. So

3 - Sister Arrives

"You seem surprised Naruto, like when those assassians came and attacked you ,when you your protecting that bridge builder."Sakura 3 said. "What how did you know that?" Naruto asked. "I forgot to mention she watched us under the order of the third hokage." Kakashi said. Naruto with the short temper he has ran into a attack. Sakura say this coming and stood there. Naruto did some signs and created multiples. Sakura flipped a finger and the wind picked every one of those Naruto. They fell to the ground. "You really think that would work on me, you have grown stronger but not strong enough."Sakura said. "Man she's strong, even stronger then Kakashi."Sakura thought. "Not again, I have to go Kakashi an unwanted guest has arrive."Sakura 3 said."Go"Kakashi said. Sahe kissed him on the cheek.

"You know I was meeting the group ."Sakura 3. "Yeah, but this was important." said a voice. That voice was that of Lyre, Sakura's older adoptive sister.

4 - What? Killer ninja on the loose.

"Look, I thought you might want to know first," said Lyre with that grin of hers. "What exactly?" Sakura asked. "Well, you know Sasuke of course?" Lyre asked. "Yeah," Sakura replied. She knew it was going to be something about him. "Well his brother is back," Lyre said. Sakura's faced turned white. This was Itachi Uchiha, the one that killed Sasuke's family and let him live. "You can't be serious," Sakura said. "Honey, I only come to you when there is a serious matter. Now I don't like it when a rival shows up, so I am expecting you and your honey to defeat him." Lyre said in her cocky manner. "Am I allowed to tell him?" Sakura asked. "No you may not, he is not quite here yet and I don't the village in a frenzy," Lyre replied.

Sakura returned to Kakashi and sighed. "Hon, what is the matter, I hat it when you are sad." Kakashi said. "It is nothing, let's just say an old friend is visiting.

They slept through the night. Sakura waking up to see Lyre again. "Look do you really have to come around when he is asleep." She said pointing to Kakashi. "Yes." Lyre replied. "Is he here?" Sakura asked. Lyre only had to nod before she sprang out of the bed. "Where are you going?" Lyre asked. "You know exactly where I am going." Her reply was.

"So he is here." Jiyra said. "I couldn't believe it either." Sakura said. Sakura was one of the Sanin, the last one. "Well I have to leave to find Tsundae." Jiyra said. "I will come with after I find him." She said. Jiyra nodded and they were off.

Sakura unable to catch him. "Look I have to go take care of Kakashi and tell him I am pregnant." Sakura said and went off. Jiyra, Naruto and Sakura 3 went in search of the fifth Hokage, Tsundae the final Sanin.

"I wonder where she could be?" Sakura 3 asked. The three of them meaning, Sakura 3, Naruto and Jiriaya, were looking for Tsunade, the other Sannin. She was to become the next Hokage. "It would be good if I knew where she was." replied Jiriaya. "So what is so important that we need to find her?" asked Naruto. "As you already know Kakashi is in a very deep sleep and i cannot wake him up, so we need a real medical ninja to wake him and that's where Tsuande comes in." Sakura said. But the true reason, both new as she is to be the next hokage. But they knew better then to tell Naruto. They soon meet a sign on the road. "I have heard rumors of Tsunade coming through that town." Jiriaya said as he pointed to the sign on the right. "Well then let's go" Naruto yelled with excitement. They soon reached the village. It was a busy little town. "We're going to check into the hotel and then your going off to bed." Jiriaya said with this grin on his face. Sakura knew what it meant. Then Naruto turned around to see what he was looking at. And behold a beautiful woman walks by and winks at the two. "Fine, come on Naruto." Sakura said. She then grabbed him by the neck and drags him away as he cries, "But, But."
