1 - aang's b-day1

Note: I do not own any of these characters mentioned!

So, it was Aang's birthday. He was turning 13, and what did he get? A bizarre present from Sokka, that's what.

When Sokka arrived at the party, he was carrying a weird package. It looked like it was wrapped, at first, with all of the icky, pink and purple colors. At 2nd glance, Aang realized it was not wrapped.

His face scrunched up in fear of what it could be. "O no, some girly thing!! " he thought, rolling his eyes as if to get it out of his head.

When Sokka finally was close enough to allow Aang a good glimpse of the present, he said, "What?! you said you wanted to go into jewelry making!"

Aang, sort of stepping back said, " Hey, do you think Katara would like it?" Sokka replied, "Sure, why not, she's a girl isn't she. Why?"

"Oh, no reason," Aang answered, his mind rolling, scheming.

I'll write more later!
