**Chapter 1 - I just want to be one of the boys**

**2**

# 1 - I just want to be one of the boys

I was always the crybaby  
Scared of hornets, flies, and bees  
And I would hit sometimes  
But I never got into real fights

And you always went easy on me  
Scared of making me bleed  
Always protected me  
Always was there for me  
You could never see

That I don't want to be one of your girls  
Pretty in curls  
I never really liked them anyway  
I just want to be one of the boys  
Not your toy  
Cus I don't want you and I never have

They always thought me a little meek  
Because I couldn't belch my ABCs  
But I always was the loudest  
Loved the spiders but not the darkness

And you always went easy on me  
Scared of making me bleed  
Always protected me  
Always was there for me  
You could never see

That I don't want to be one of your girls  
Pretty in curls  
I never really liked them anyway  
I just want to be one of the boys  
Not your toy  
Cus I don't want you and I never have

So last summer when I told you all of that  
You said that I'd be sorry because you'd be the best I'd ever have  
Well I have a surprised for you

The pink is gone  
And I chopped my long hair off

I'm now a black belt in martial arts  
And our friends like me better for who I really am  
I'm one of the guys now  
Got over my self consciousness so  
Now you know who I really am

Cus I don't want to be one of your girls  
Pretty in curls  
I never really liked them anyway  
I just want to be one of the boys  
Not your toy  
Cus I don't want you and I never have

And you can't go easy on me  
Cus I will make you bleed  
No more protecting me  
I know how to use both my feet  
So now you see

That I don't want to be one of your girls  
Pretty in curls  
I never really liked them anyway  
I just want to be one of the boys  
Not your toy  
Cus I don't want you and I never have

I'm one of the guys now  
Really I always have been  
You'll have to give in  
And just except me for who I really am  
Cus I'm more me now then I've ever been

Hope this won't happen again  
Because I look damn good in red
