Chapter 1 - On the inside

1 - On the inside

Whispered

Normal

Yelling

You think it's easy being me
Well of course you do
You think I just watch TV
Cus I'm not going through
Anything that interests you
My life is boring nothing to do
I sit around all day in my bed
But in reality I'm just I'm my head

Because I ,know there's much more to this life
then what you want for me
Because I'm alive but only on the inside
The inside
The inside
You hide in your sham of a life
Bringing me down but I'll
Always live on the inside
The inside
The inside
On the inside

You'll never know what's in my head
No you just wont
Trying to right before I'm dead
Only hope left
You only see what's written on lines
Not the pictures in my mind
You try and try but it's just not enough
The barrier of my skull is too tough

Because I know there's much more to this life
then what you want for me
Because I'm alive, but only on the inside
The inside
The inside
You hide in your sham of a life
Bringing me down but I'll

Always live on the inside
The inside
The inside
On the inside

*You think it's so damn easy
Sitting up in my room
You think its so damn easy
Nothing for me to do
But I'm planning
Yes I'm planning
Lives in my head
Lives in my head
But I'm planning
Yes I'm planning
lives in my head
Lives in my head!*

Because I know there's much more to this life
then what you want for me
Because I'm alive, but only on the inside
The inside
The inside
You hide in your sham of a life
Bringing me down but I'll
Always live on the inside
The inside
The inside
On the inside
