1 - The Bombing

The sirens were blaring as Iraqi bombers were flying over North Park as 3 boys, Dan, Miles, & Derrek barged through McHammock Manor. Dan Marks: We need to use your bomb shelter! Lenny McHammock: (Muffled) No freakin' duh! The boys and their parents rush into the bomb shelter. Derrek Carmen: Aw Jesus, we're all gonna die! Miles Bolovinski: No, we're not, this can withstand an Atom Bomb. Right, Lenny? Lenny: (Muffled) Uh... not exactly... Dan: Why are the Iraqis attacking us anyway? We have no military power. Carmen: Because they're assholes lead by a dumb-@\$\$ Terrorist, that's why! Miles: (Softly) Like you...? Carmen: Hey!!! The Next day... In the train station... Lenny: (Muffled) 4 tickets to... uh...(looks back at his parents) Mrs. McHammock: (Mouths) South Park Lenny: South Park, please. A few minutes later, Lenny runs over to his friends by the fountain. Dan: You got 'em? Lenny: Train 8 (Hands out tickets) The boys entered the train, headed to South Park, Colorado. Carmen: (Out the window) Bye Dad! To be continued...

Mrs. McHammock: "Come on, there is lots of stuff to do in South Park."

Dan: "Okay then, name one."

When Lenny gets out of the van, a run-down, out of control truck smashes him into the van, killing him, while a young boy in an orange parka flies out the windshield.

Boy: "(AHHHHHHHHHHH!!)" *splats into brick wall* "(Urk!)"

And if that didn't kill him, than the big-@\$\$ 18-wheeler running over his body did
