Having recently returned from a five day cruise, I decided to compile my list of the top 15 reasons why I don't travel for more than 2 days.

15. You have to endure a long car/train/plane rides to the middle of nowhere, so that you can get on another car/train/plane.
14. You always lose at least 2 items that you can't find until 2 days later.
13. You have to organize your messages in order of importance.
12. You have an oversized laundry pile to deal with...
11. ...and nothing clean to wear meanwhile.
10. Your parents have to literally drag you site-seeing and shopping!
9. Your dog is excited beyond ecstasy to see you and is immediately depressed the instant that you even go near a vehicle.
8. You have to find somebody to look after your pets properly.
7. You have to pay that somebody.
6. No matter how much you fight, you always end up sharing a bed with your sibling at the hotel.
5. You ALWAYS manage to get the souvenirs home and then they break.
4. No matter how much planning you do, something ALWAYS goes wrong.
3. EVERYBODY wants to hear about it....
2. And EVERYBODY wants to see pictures (which is the only proof that you actually went!)
1. It ALWAYS, ALWAYS costs money!
