Forgotten Sunrise

~ Sukie valentine~

The choices we make

The bond to others we break

The lives we take

Are all but forgotten

The path of the forsaken

To an empty feeling of sunrise

As many times as we cry out

Into the darkness

We can not undo what we have done

We shall never be as we were again

Our paths shall never cross

Separated forever

There s still so much I haven t said

Regrets fill my world

Missing you.
