Chapter 1 - never

2

1 - never

I put my heart into these words.

Sometimes they get so burned out.

I hate this life my elders lead.

I wish I could jump into the books I read.

Bring them to reality.

Or make my fantasies come alive.

Life is too confusing.

I can't seem to understand life today.

My pain is nothing I can explain.

Cause too many people have just walked away.

But, you make me feel so alive.

Them you make me smile.

Just when I'm about to cry.

You're all I have left.

I hope you never say good-bye.
