# 1 - Untitled

Listen to the spirits calling  
A cold night wind  
Shadows fleeting  
Let the darkness hold you  
As time is slowly shifting  
Be quiet now  
Can you hear them singing?  
They're beckoning to the earth  
Do not be afraid  
I will watch them slip away  
Form and fading  
Tightly gripping  
Quickly slipping  
Into fragile dreams  
Hold still, be strong  
You must hold on  
As wings emerge  
The blood is gone  
Floating freely  
Screaming in pain  
Your life is hanging  
Let it fall  
The nightmares end  
Do not stop  
Do not look back  
Sipping poison  
In broken glass  
Cutting ribbons  
Falling fast  
The ropes that bind  
Your fate to mine  
Cannot be cut now  
Say goodbye
