**Chapter 1 - To Be Touched**

**2**

# 1 - To Be Touched

To be touched,  
This small sentence can be taken in so many ways,  
You can be hugged,  
Kissed,  
Slapped,  
Poke,  
The list goes on and on,  
But to really be touched,  
What does it feel like?,  
Heavenly?,  
Horrible?,  
Is it a pleasure?,  
A craving?,  
Or something that you'd never want to feel,  
What if your so pushed away from the world you think you don't need it,  
Oh.....,  
But you do need it,  
You can't survive in this world without such a thing,  
It's a need,  
Not a want,  
Once you feel this for the fist time everything imaginary floats away,  
Everything not real is gone,  
All that's left is reality and your memory,  
So.....how do you know when you get that touch,  
.....,  
You'll know in your heart,  
I'll tell you that now,  
But..... you may not no in your mind,  
You may not be ready for it either,  
All one can say is.....,  
That no one can predicted the future,  
But.....you can always,  
Count on your heart.
