Love Me Forever and Always--Prologue

I, Michiko Awasawa, needed to know what love is like. Shiho, my best friend passed me a note during that rainy morning math class. The note said: "Michiko, what are you going to do about your up-coming birthday?" Passing back the note to Shiho, it said: "I'm going to try to invite the ones I want there-ok ok you know, who I like..." Shiho then whispered, "Who is it? You must have told Kisa, not me! Just because we almost look alike, you can't forget who you told what to!" I laughed and said "I'll tell you later!" The bell rang, time for gym.

\\

Shiho, who has all classes with me, was following me along the track lanes. I then start to jog at a good pace. "Michiko! Who is the boy?" I stop and say, "You know the guy from the school we had to write letters to—I mean our pen friends? Well the guy I got was sweet, kind and nice, we met Saturday and he was really nice to me actually, seeing people in real life makes me feel better" Shiho then said, "I see, HEY! I saw you guys then! I was with the guy I'm pen friends with! I saw you guys at the beach sitting next to each other, he was so close from holding your hand but you moved away!" I then sprint as fast as I could go away from Shiho. Shiho catches up by crossing the field to where I was standing, I was drinking my ice-cold water when she got there. "I—" The bell then rings.

I go to the Cherry Blossom Tree where I get all my inspiration. I then remember that the other high school was coming here for a visit! I then get up and see Hatori, my pen friend. He goes up to me and hands me a pink rose, "Hello Michiko" I was blushing, "Uh—Hi Hatori, this rose is for me?" He then gives me a kiss. "Michiko, I love you, I love your way of speaking and your beautiful letters. You are the one I think about day and night. You are the one I love" I blush even deeper. "I am very happy, I have loved you ever since we started writing these letters... You make me happy just from the site of the envelope. You are the shining star I see every night."

Hatori and I are at the beach; he's hugging me so I'll be warm... "Hatori, I love you" Hatori says "I love you so much, I'll never let you go, I love you forever and always" The sun sets. We walk home holding hands. He gives me a good-night kiss and says "Meet me at the park, the third bench is where I'll wait for you"

I wake up the next day and call Hatori on my cell and say "Hello Hatori! It's my birthday; I can't come to the park! Come to my house at 1:00 PM for my birthday party!" He chuckles and says "Yes I will come because my special girl is celebrating her birthday I love you forever and always" and I say, "Love me forever and always"

Two hours has past and there was no sign of Hatori. My mom turns on the T.V. in the kitchen and she screams in shock. "Michiko! Your friend Hatori! He was in a car accident..." I then scream "No! This can't be happening!" I crouch down and cry. "My last words to him was 'Love me forever and always'" I then remember the letters, the fun we had together. The last words...

1 - The First Day Of Letters

Chapter 1--The First Day of Letters

“Now kids, we are starting a new assignment! Well, we will be writing letters to the other high school in Tokyo! I will assign you the person you are writing to! No e-mailing or texting! Use the joy of envelopes!” I sigh, why do we have to do this? “Shiho, I wonder who I will get!” Shiho says “Maybe a boy!” She laughs. “Michiko, Shiho! Stop talking! I’m now going to assign you your pen friends class” Mr. Yomiko gives me a slip that says “Hatori Tsauba” Shiho, looking over my shoulder says “I told you!” Mr. Yomiko instructs us to start our first letter to our pen friend. I start to write.

Dear Hatori, My name is Michiko. I like to run, hang out with my friend Shiho, write, and draw. I love to act. I have a lot to say, but I don’t want to bore you out. My favorite color, well it’s blue! Haha very funny. I don’t know what to say; I have a sister, you might find her annoying. I do track and field. I take drama class. I take piano class. I would like to get to know you better and I would like it if you could send me letters back. Well this is all I’m going to say.

Sincerely, Michiko

“Class, get envelopes and write the name of the person you got on it” said Mr. Yomiko. The bell rings, well time to get to lunch.

Touching the sweet petals of the Cherry Blossom tree, my favorite place. I sit down at the bottom of the trunk. Smelling the scent of the petals, ah so peaceful and beautiful I think to myself. Today might be the worst day of my life. I think to myself for a while, “What would Hatori think of me? Am I a complete fool of myself? Why am I doing this?” Shiho walks with her boyfriend Ayame. “Michiko, what’s up?” says Ayame. I quickly open my eyes and blush, “Eh I was just thinking...” blushing deeper, I don’t know what to say. I liked Ayame when I was in 6th grade, but since 7th grade, I stopped. “Shiho, how are you doing with your letter?” I say to Shiho. “I don’t want to say, but I’m just going to say that it’s a boy.” Says Shiho, Ayame saying “What? Your not going to leave me are you?” In addition, Shiho laughs, “No silly, I will love you forever!” Moreover, Ayame sighs. Ding Ding Ding, the bell rings.

It’s my free period, so I decided to go to the Field House. I go to the locker room and change quickly. I see my coach waving for me. I walk over to him, well he is a little young, haha he was 16 and his name was Hiro. He said, “Uh—Michiko, would you like to go out this Saturday?” Hiro then started to blush. “Uh--I guess so, if you would like.” I reply blushing also. “I have something to confess, I love you Michiko...” says Hiro staring straight into my eyes. “Uh--- I don’t know what to say...” I replied looking away and blushing. Well deep inside, I did have feelings for him, just friends...That was awful. I say to myself. I now don’t know what to do; Hiro and I are officially together? “Michiko!” shouts Hiro, “I’m sorry...” I walk to Hiro, “I should be the one who is sorry, I like you a lot, I just don’t know what to say, I was scared that you would never like me, I love you Hiro I want to be yours...” I say in a low voice staring straight into his deep blue eyes. I sigh. Hiro takes me by he waist, hugs me and kisses me, I return the kiss. I then say, “You know I still have to train!” We both laugh. I now have the love of my life, with me...He then says, “Why don’t we warm up, I guess we could do it together...If you like” I say “sure why

not Hiro, anyways I want you with me..." After 30 minutes of running and jogging I go to the locker room and get changed. I come out and see Hiro there waiting for me, "Michiko, wait for me after school in front of the building, I want to bring you some where..." I say "sure."

It's almost time for me to go meet Hiro. Shiho taps my shoulder. "I heard you and your coach Hiro were going out, is it true?" In addition, I nod. "Well have fun with your boyfriend!" In addition, I give her a weird look. "Class, get out your scripts, were going to perform a play with the other school in Tokyo, were performing "Romeo and Juliet!" In addition, I gasp, I hope Hiro or Hatori will get the part. "Michiko, are you able to play Juliet, because I think she fits you perfectly" and I nod. I squeal and clap because I got the lead role. Shiho claps and says "Yay Michiko! You got the best part!" Ding ding ding, the bell rings, its time for me to go meet Hiro.

2 - A Heart Breaking Day

Chapter 2---A Heart Breaking Day

I walk out of the building and find Hiro with his friends. He treats me like I'm his friend. I then say "Hiro I have something I have to tell you" my mind saying, you have to break up with him, he's a guy you don't know well. I do not think you should like him. "Sure Michiko, anything for you" says Hiro and his friends saying "oooo" "Hiro I think we should break up." I say. "What? Why? What did I do wrong?" Hiro says in a sad and breaking voice. "Hiro, I don't have feelings for you. I don't like how you treat me like I'm your friend when you're around your own friends." I say soft and shy. "I'm sorry" I start to slowly walk away. "Michiko! I don't want you to feel like this" Hiro says grabbing my arm. "I love you, I think your beautiful." In addition, I blush, "You can say that if you want..." I start to pull away from him. "I---can you just give me another chance?" I say, "I guess" Hiro then pulls me to him, taking one-step he kisses me, I return the favor. "Thank you" Hiro whispers. Hiro then waves to his friends and shout, "I'm sorry guys, but I love Michiko, I don't want her to leave my side and I love her because she's beautiful, you guys should find someone that isn't mine, so stop crushing on her Timmy!" I laugh and blush and hitting Hiro gently. Timmy's face grew red and shouted back "Michiko, I love you! You don't want Hiro! Pick me!" In addition, I keep on laughing. Wow, plenty of people liked me and I never knew about it? This surprises me. "See Michiko, I told you! You are beautiful"

Walking at the shore of the beach, I take small steps. Hiro suddenly grabs my hand, now holding it gently. I say to Hiro "Thank you, but I'm not sure if I can be with you." Hiro looks at me with a confused face "What? I can't believe your doing this to me! Are you crushing on Timmy or something?" I turn my face towards the sea. "No, I'm not crushing on Timmy. I just want you to be my friend. I never wanted a relationship with you" Hiro then stares at me. "Why? Why do you just want to be friends?" I turn away and start walking. "Michiko, I understand." Hiro says softly.

I walk all the way to the train station with Hiro in silence. He suddenly says "Michiko, I too want to be your friend, I want to keep it that way" and I smile at him, "Thank you for understanding me Hiro" and I fall asleep on his shoulder. He takes me in his arms and carries me home. Since mom wasn't home and neither was dad, Hiro found the keys in my pocket, when he got them, he woke me up. I was smiling. He gave me a kiss, a passionate kiss. I returned the favor. Then Hiro went with me into my house and gave me one last hug. "Bye Michiko, Good night" and he waves and walks out the door closing it.

I start to slowly walk up the stairs. Kisa says "Michiko! Who was that guy? He's cute! Where were you?" I look up "Kisa, go to sleep! He was Hiro, my trainer. No, he's not cute. I was at the beach" Kisa grinning "So, you going out with this dude?" I sigh, "No, were just friends, I'm tired so I'm going to go to bed now, you should too." We both look at each other, staring straight into each others' eyes, "Kisa, where is mom and dad?" Kisa looks away, her smile goes away with it. "Mom and dad are still at work" I look at her and sigh. Life is going to be dreadful for me.

3 - Romeo And Juliet

Chapter 3---Romeo and Juliet

Ah, a fresh new day, a fresh new start. I start out by going to brush my teeth. I hear Kisa singing to her songs next door since I have my own bathroom in my room. "Every heart is a piece of work," sings Kisa. I groan and yell to Kisa, "Quiet down!" I walk out my door. I softly knock her door and say "Quiet Down!" suddenly she opens the door and pulls me in. "What now Kisa?" I say staring at her and turning down her music. "Michiko, you have to find the perfect outfit for me! Your good with fashion, I need you to help me because I have to wear something nice to show off to Timmy!" I look at her, "Timmy? You mean Timmy, the one who is Hiro's best bud?" Kisa nods. "Okay, so lets see, a plaid miniskirt will do well, and your pink and white blouse will go well with it. When you do your hair, curl the front of it, after that, leave the curled hair in front and pull your hair back into a pony tail, that will do the trick, oh yea, for shoes, try wearing black boots, it will match." Kisa stares at me like I'm crazy or something. "Thanks sis!" In addition, I walk back to my room.

I start to look for my outfit. A miniskirt, the one with white ruffles with the color blue with a blue tank top will do. Black boots and a ponytail held by a ribbon was what I wore. I walk down finding my sister with the outfit on that I chose for her. "Mom and dad left for work as usual, are we going to walk to school, or ride our bikes to school?" I stare at her, "Riding our bikes is fine, I don't want to walk today." I take some toast and start to spread butter on it. "Michiko, why don't you like anyone? It's like your life is full of drama and that's it." I stare at her with big huge eyes, practically glaring at her like she's crazy. "I don't know. I just don't want to. Acting is my life." I start to eat my buttered toast, one bite at a time. Kisa looks at me. She takes one bite out of her bagel. We both finish our food and start to clean up. After I wash the dishes I shout to Kisa, "Can you grab my bag while you're up there?" Kisa shouts back "Okay!" I walk to the living room and get my boots. I pet my cat Whiskers. Kisa walks up to me and hands me my bag.

We both walk out the door locking it. Hiro passes by skateboarding. He waves to both of us and says "Hi" Kisa hides behind me. "Hiro, what are you doing here?" Hiro blushes "I was going to ask if you would like to ride your bike to school with me while I skateboard." In addition, I nod. I get my bike and Kisa does also. We all ride together. "Kisa, keep up!" says Hiro. Kisa blushes and rides ahead of us. When she zoomed ahead, I fell. Hiro stopped Kisa and said "Michiko, are you ok?" I nod. I get back on my bike and Kisa zooms away. We both laugh. We arrive at school.

As I walk into Mr. Yomiko tells us to check the box of mail to see if your letter has been replied. I walk towards the box and find a envelope with my name printed on it. I slowly open it, trying not to rip it. I read:

Dear Michiko,

It is great to get to know you. I also like acting. I don't have any siblings. My parents are lawyers. I too like to draw and write. I love to run, we should run together one day. The only thing is I like to run barefoot, it feels so good under the grass. I love to play the piano. I guess we have a lot in common. I'm being Romeo for the play our town is putting together. I heard that a really good actress was Juliet. I hope you like techno and trance music because I love it. My favorite color is White and Silver. Well

that's enough about each other.

Sincerely, Hatori

I bite my lip. Hatori's Romeo? Today we had practice; the other school was coming here. "Oh my gosh!" I say to Shiho. "Shiho, the guy I have is Romeo for the play! The other high school is coming here today for practice! Oh my gosh oh my gosh!" Shiho giggles.

After school, I see a guy, a really tall and handsome guy. To myself I say is that him? I walk to the drama teacher, "Who is Romeo?" And she points to the tall and handsome guy. I walk up to him. "Hi Hatori" and he turns around. "Eh...Do I know you?" and I nod. "My name is Michiko, I was the one who wrote a letter to you. He nods and says "Wow it's true, you are beautiful, my dreams were correct." He touches my face. "Soft like cherry blossom petals." I blush. I look straight into his eyes. He does the same. Hatori leans over and kisses me. Our lips touch, a passionate kiss. "Michiko, you are beautiful, a great person, are you willing to go out with me?" and I blush, then I nod. This is too perfect! Touching his face, I say "You are perfect" and he blushes. Our drama teacher just told us to meet the cast today, so no acting.

When I was walking home, Hatori caught up to me and held my hand. I look at him and smile. He does the same gesture. I don't want him to leave me. "Michiko, want to meet some of my friends?" I nod. Hatori piggybacks me. We get to the park and his friends are waving. I notice Kisa and Timmy on a bench kissing. I smile. "Hey Hatori, who's the girl?" Hatori says "Her name is Michiko, my love" and I blush. "Michiko, these guys are Ayame, Peter, and Yuki." I say to them "Nice to meet you guys" I tell Hatori that I was just going to see something. I walk towards Timmy and Kisa. "Kisa..." I say. "Timmy..." I also say. "Together??!?!?!?" and then I start to laugh. Walking back, Hatori waves. Peter says "Hey, aren't you playing Juliet??" And I nod. Yuki says, "You look beautiful just like a cherry blossom petal." I blush even more. I don't know what to say. Ayame says "Lucky Hatori" and we wave good-bye, Hatori takes my hand and holds it. We both walk to my house together.
