# 1 - different worlds

it was on a tuesday

february,third,2006.Melanie,Raven,Rose,Collin,Ace,Andrew,Britany,Dominique,Johnathan & me went to the WoodlakeHillsSchool Library.(just to let you readers know,school as off till december2009,ha!!)"what timme is it?"collin said as he read comic books upside down."its 9:15 a.m.,collin we just got here\*nah\*three mins ago"ace said listening to: pump it by black eyed peas."really,oh?"he said confused."ARRGGHH,i need a comic or something to read\*looks in each shelf full of books\* & theres no comics in this library!! aaahhh!!"rose said as she screamed in ace"s ear.ace didn"t even listen to her,mainly he was listening to the radio on his cd-player."!!! oww!!,even if there aren"t any comics in the library we"ll still be okay, so lets just wait for ally to get the book okay"britany said to everyone.

i was still looking for a book in the fantasy section,i listening to passion-sanctuary from kingdom hearts 2 (japenesse song) intro,when suddenly "[hello alyssa](#)"someone said saying my name.i hardly knew that voice,i turned around & saw a boy with golden blond hair,he wore a green t-shirt with navy blue pants,over his t-shirt he wore a army jacket.his eyes were the color brown & wore white shoes."[oh, hi drew](#)"i said as i put the headphones on & continued to look a book."[what are you doing?](#)"drew said confused.i tried to ignore him because eventually.i don"t even trust him.he only stared at me,I wore a red & black shirt with a solar flare symbol in the middle of the shirt & black pants that went down to my ankles.the color of my eyes were sea-green(my eyes are just plain brown for real),i wore a necklace that had a star thar can tell his/her mood, the color of the colorguard gloves i was wearing were red(on one side)& black (on hte other) each had the same symbol on my shirt on the front of hte colorguard gloves."[none of your bussiness,\\*looks at him\\*are you okay?](#)"i said to him in a nice way so that he would go away >\_<.he only nodded his head."[i have to go now bye](#)"drew said as he walked right next to me & kissed me on the lips . "[\\*thinking to myself\\*if i had fox ears,they would be pointing into the air & twitching by now?!?!"](#)i thought as drew finished kissing me & walked off to the door.i stood there in shock,finally i snapped out of it & went to get the book.finally i found a book that was chained up."[0\\_0,creepy](#)" i spoke at last.when that was over we went back to ace"s tree house.the tree house had alot of: electronic stuff,alot of rooms,a battlefield,training room,& alot of other stuff.

~~~~~  
~~~~~

i placed the book on the desk,it was silent."[okay,who wants to open it first?](#)"ace said at last.everyone took a step back, except me who was daydreaming."[ah,alyssa why won't you open the book since you got it first](#)"ace said acting like he"s popular(just like drew) i looked on each side no one was there,until i looked behind me,raven only waved her hand at me. "[okay i"ll open the book](#)"i said being nervous.i didn"t move for a second,until melanie pushed me forward.just as i was about to open the book,it just open it self."[woha ally,how did you do that?](#)"raven said being excited.i stared at the book, then stared at evryone else & said,"[wasn't me](#)". then the pages started to turn back & forth over & over again."[pitty](#)"ace said at last.britany ran to the window & noticed something really weird.San Antonio was being sucked into the darkness.johnathan ran up to her & saw the same thing."[guys,take a look at this](#)"johnathan said out loud.everyone came running to the window.as i ran up to a window, i eventually saw drew fighting the shadows"the god of creatures". "[DREW!! GET OUT OF THERE,SOMETHING BAD MAY HAPPEN](#)

TO YOU!!!!"i screamed to him.he didn't listen to me,he kept fighting until one of the creatures reached its hand & grabbed drew"s heart."\*gasp\*DREW?!" i yelled.as the shadows came colser to the treehouse,drew"s body disappeared.i closed my mouth, i quickly ran towards my friends,i stopped & noticed that only britany was the only one in the treehouse."britany whats going on?!" i said confused."everyone got captured into the book,i was the only one there lookin" out the window, were the only ones here in San Antionio"britany said defending herself.suddenly,the book started opening a portal,"whats that?"i said defending myself as well.then the portal unleashed the darkness within it & covered the whole entire tree house.me & britany got suck ithe book as well."oh snap,where are we-"britany was interupted by me,"omg!!,everyone fainted or blacked out,britany don"t do anything okay"i said. i looked at britany,she blacked out like everyone. i sudennly fainted aolng the way.

~~~~~  
~~~~~

few mins later... i landed in something soft,i reached my hand out to see the heavens.then i blacked out while my hand fell to the ground.then i sang with a beautiful voice, i sang out loud to see is anyone was out there,i only said aly & aj singing:in a second(only singing half of the song okay):don"t know where you are,wish i just could be near you. i would sail oceans,to get a glimpse of how you feel. you"re the things i"m looking for,everything & so much more.\*crying\*what i think you are just perfect,could it be that i am worth it, is this thing an open door walk right through to some thing more. you...&...me,my life would..change in a second,. . . in . . a . . .second....i then stopped.i layed in the soft land waiting for someone to wake me up or be there right next to me.sudennly i heard foot steps,i felt myself being carried & token to another spot.

## 2 - ally & andrew in agrabah with sora,donald & goofy

"she's coming around!" someone said. "*oww?! god help me!*" i said as i sat up. i looked both sides, but nobody was there. then i felt someone's hand touch my shoulder {which was bursied} "*owch!*" i yelled. i turned around & saw a boy with spiky brown hair, blue eyes & wore a black t- shirt. he eventually wore a black jacket over his t-shirt. i only stared at him, i almost blushed. i closed my eyes & thought to myself, "*must be a dream, must be a dream, must be a dream?!!*". i opened my eyes, he was still there. "*um, who are you?*" he asked me. "*well, m-my name is alyssa, but you can call me ally for short, & who are you cutie*" i said blushing. "*\*mortified\* um, my name is s-sora, he's donald, & over there is goofy*" sora said blushing as well. ". . . hello, sora, donald & goofy have you seen my friends?" i said. "*what are there names?*" donald said out loud. [HERE WE GO AGAIN] "*there are five girls & four boys, i'll start with the--*" i got interrupted by donald "*DANG THATS ALOT OF PEOPLE TO BE NAMEING, anywho what i'm trying to say is: SAY ALL OF THE NAMES!!!!*". "*Melanie, Raven, Rose, Collin, Ace, Andrew, Britany, Dominique, & Johnathan!!!!*" i said in a heartbeat. everyone was shock when i said everyones name. "*\*lookin' around\* did someone call my name?*" someone said approaching up to us.

~~~~~  
~~~~~

as sora & i turned around, i saw andrew running up to me, {*this is the cute part ^\_^*} when andrew came up to me he gave me a hug. ". . . . *you can let go of me now andrew?*" i eventually said. but he didn't let go, until i saw something weird. ". . .!! *ANDREW YOU GOT A BLUE TIGER TAIL--TWO OF THEM!!*" i screamed. "*GIRL! YOU GOT TWO GOLDEN FOX TAILS WITH YOU TOO?!?!*" andrew said freaking out too. we both letted go of each other, then we both looked at our ears & tails. "*okay what happened to us?*" i said confused. andrew shrugged, so did i. then andrew rembered something. he was just about to say it, but donald said, "*we need to find aladdin!*". later that day... as we were running towards agrabah, andrew gained speed & went further than us. i thought to myself: "*oh a wise guy eh?!*", i gained speed as well & went farther than andrew. as everyone came up further to me, i eventually went furher. then i noticed that my feet weren't moving, i looked right behind, my tails turned into prowellers which made me go forward & faster. "*0\_0, OH MY GODD--!!!!*" i stoppped right away, but i jerked hard (& i mean hard!) "*\*flew past the boys\* WAAH!!*". as the boys stopped & waited for me to catch up, a voice called me & said, "*ALLY!!!. . . ALLY CAN YOU HEAR US?!?! . . .*" melanie & rose screamed into the walkey- talkie.

~~~~~  
~~~~~

i grabbed the walkie-talkie & yelled at it saying back, "*melanie, rose!*". "*oh god, ally were are you, & is someone there with you?*" rose said. ". . . i'm sourrounded by four boys, including andrew & were at agrabah & were are you guys?" i said nervously. "*were at . . um, beast's castle, & what do you mean *that your sourrounded by boys?**" rose said. ". . . . *\*breathes in, breathes out\** sora, donald & goofy are here with me & andrew?!" i said turning around (so that the boys won't see my face) & blushing rosey red. ". . . . *OMG!!!!* (rose gets interrupted by melanie)--okay this is what you need to do: once when you guys are

### 3 - andrew's anger problem

it was already night time at agrabah(talk about day ja vo),my legs started getting tired from walking, i almost got a headache from andrew who kept saying "t-e-a-m go team"over & over again(thats a song ^\_^)."garsh,i shouldn't have told him that"goofy saod as he covered his ears.i tried to ignore him, but then i snapped sudennly, "dats it!!!!". "t-e-a-m go te--""i slapped my hand with my hand on his mouth so that he'll shutup.as sora turned to see what was going on,he saw my hand glowing. . . !!,green?"um,ally?"sora said confused.as sora stared at me,i opened my eyes,they were glowing green as well."what is it this time sora?!"i said getting mad."your hand is glowing & so is your eyes"sora said as he slowly stepped back.i was confused for a little bit,andrew grabbed my wrist & pushed it away from his face.i didn't believe sora until i looked at my hand,"gasp!!!"i screamed as i untighted my grip on my hand,then the glow was gone &so was the glow from my eyes."wha...whats happening to me?"i said being scared. "that power was called the Tamerain power(i got the tamerain power from starfire from teen titans-this speech is for Darc so that she will understand me-lighttails1067^\_^,oh!please continue. . . )"donald said.as i walked up to sora & stared at donald,sora started to blush.(ain't that cute =^\_ ^=)

~~~~~  
~~~~~

andrew grabbed a stick & started to walk with it & followed behind me until he saw sora blushing at me,then sora grabbed my hand while i didn't feel it.andrew got so mad that he broke the stick that he was using.my fox ear twiched,i looked at andrew,he hid the stick that he eventually broke right behind his back. what did i do,.. i shrugged.(well thats a stupid move there)

as we went inside the old city of agrabah,sora & i saw Abu heading towards us,then i noticed that abu was holding a dark lamp.i caught abu in 5 seconds & waited for aladdin to come."nicescatch"sora & andrew both said at the same time.then the boys just stared at each other,andrew got mad,sora was just happy.then they both got into a staring contest."thank you for grabbing abu,um...whats your name?"aladin said confused.the boys stopped the staring contest & stared at me."my name is ally,but you can call me alyssa." i said with gradatude."or maybe TAILS?"andrew said crossing his arms." . . . i like that?!"i said loving that name.sora quietly stepped away from andrew.then sora walked up to me & placed his hand on my shoulder,i turned to face him,he smile & i did too(obay sora"s cute smile, you can't resist it +^\_^+).^\_^. andrew gaot so mad that he punched a vase & broke it into piecesO\_o.

~~~~~  
~~~~~

somewhere from the darkness...

"can i see her now ,huh,can i?"shadow said."not yet,when i give you a signal,then you can see her"someone said."WHEN AM I GONNA KILL HER & HER FRIENDS,I CAN'T WAIT ANY LONGER?!"said another kid who was the same age as shadow,but had head hair insted of darker hair."same goes to you."he said again,"just wait a little longer,. . . shadow is going to see her first,then when they go to the next place,then its your turn."shadow stuck his tounge at the red haired kid,the red

haired kid just putted a clothes pin on shadow's tounge. "oww! dat hurt" shadow said as he took of the clothes pin off his tounge. the red haired kid just laughed.

but somewhere in a dungon room... they held a prisoner who was the same age as sora & me (in the story, i'm 15, but for real, i'm 13 about to turn 14 in seventeen days... eventually my b-day is on tht first day of August.. **DON'T FORGOT MY BIRTHDAY OKAY YOU PANZZES.. BWAHAHAHAHAH!!**...oops, i let out my dark side there sorry \*a sweat drop went down my head\*?!?!)

& his name . . . . . was Roxas. . . .

end of chapter 3

only one sneek peak okay & there it is: andrew gets mad, sora & alyssa start singing ^\_^, an ambush appears, who will fall into the ambush, . . . . roxas escapes the prision & heads to agrabah, & whos behind all this?!?! , only i know, & i can't tell you all the secrets that i have with me, unless you want some more secrets from me *hmmmm?!?!?!!*

## 4 - you STOLE MY GIRL!!!

(it was still dark time dang?!?!?) i was just about to walk off, i noticed that andrew was, well, steaming up a little (okay forget about the ""a little"" part, this is what i ment ALOT) "um,..andrew are you okay cause your creeping us out?" sora said to see if andrew was okay. but then he snapped, his blue (with black stripes) tiger tail poofed up in the air, his hand was on fire & so was his eyes, the turned around & only said in a kinda low voice to sora, "you...oh you . . . arrgh" andrew said when he was about to explode. my fox ears went back, i didn't know why he was so mad about one stupid thing. "um,...andrew your hand is on fire?!" i said getting a little bit worried about andrew. andrew didn't spoke, he only stared at me for a few mins. i saw the anger in his eyes, my tails were moving around, then i got my tails in a knot. i slowly walked away from andrew. then he stared at sora & yelled out, "YOU STOLE MY GIRL!!!!". i eventually remembered what andrew said, then i remembered that he said *that i'll never yell out anything about you, even if were not in San Antonio, i'll never yell out our little secret.* i didn't say anything for a while, & then my eyes glowed red again, & this time it was something else. "ANDREW WHY DID YOU SAY THAT!!!!!" i yelled out to him, "THAT WAS OUR LITTLE SECRET REMEMBER?!". andrew completely forgot about her sixth promise. "ally, i'm-i'm-", "why'd you-you know what, for-forget" i said as i walked away almost went out crying. "oh yeah, way to go andrew, you just had to say that out loud so that everyone in Agrabah can hear you!?" ace yelled out in the walkie-talkie. "ah shutup?!", "what do you mean shutup, aa, come on i was trying to help ya out here!!!!" ace yelled out in a heartbeat. sora thought about how tails felt, then looked in her direction, he stared at andrew, then followed me to see if i was alright.

~~~~~  
~~~~~

as he found me, i was sitting on a bench all alone, until i saw a white baby (girl) fox playing with its tail. then i spotted another baby (boy) fox, it was a black fox. it came up to her & eventually liked each other. i petted the white one, then the black one, they both liked me. suddenly the white one appeared on my lap, i felt someones hand pressed on my shoulder & turned around & saw sora right next to me. i blushed. then the black fox jumped on to sora's lap. then a song appeared as the wind touched our faces. (i hope you guys know this song cause i love it); All American Rejects: move along: \*song starts\* Go ahead as you waste your days with thinking, When you fall everyone stands. "you have a really good singing voice"sora eventually said smiling."thanks,you too!"i said doing the same."still thinking about andrew again?" "yeah:-( (i made a chat icon^\_^)"sora thought of how i felt,then he turned towards me while petting the black fox & said,"lets get back to the city,aladdin told me that he'll talk to andrew while heading to the cave of wonders(omg,cave of cheeseburgers. . . hmm, now where did that come from\*shrugges\*)". "\*gently puts down the white fox\* \*jumps off the seat\*then what are we waiting for lets go to the cave of (chesseburgers,kidding)wonders to see if their there just waiting for us"i said excitedly.sora thought about that,then agreed.then we left to go to wonders,& the two foxes ran happily with us along the way.but we didn't reliezed that andrew,aladdin,princess jasmine,abu,genie,donald & goofy were helded captive by . . . JAFAR & his guards & sora & ally were heading towards the ambush!!!!

somewhere in the darkness...."CAN I SEE HER NOW?????"shadow said again being excited."*just a few more mins,then you can scare her*"said the leader."can i check on roxas to see what he is doing?"shadow asked.". . . *yes,my apprentice* "the leader said again.Shadow ran to the dungen room to meet roxas,suddenly he ran back"master,master he"s gone!!~"shadow yelled,"our prisioner is gone". "**WHAT!!!!**".the leader ran to the dungeon room along with the red haired kid & shadow.then they got there...roxas was gone,three of the bars-handles,were on the black floor."what will we do?"shadow asked again.". . . . *leave him,i'm sure that roxas will tell that~two-tailed~girl & her friends the bad news.*"said the leader,heading back to the screet room.

end of chapter 4 ^\_~\*

## 5 - the return of jafar's revenge

as sora & i were heading to the cave of wonders,we didn't realize that we were spied by jafar & his cruddy guards, who were guarding, andrew, donald, goofy, aladdin, genie, abu, & princess jasmine. "hmmhm! i can't believe that they are falling into my trap, thank goodness that i found sora's friends & that ~two-tailed~ fox girl's friend too. but first i'll play a trick on that two-tailed fox first, so that when she screams for help, sora will fall into the ambush while the girl will get eaten by a chain chomp?!" jafar said doing his evil laugh, "send them to the dungeon, & if the two-tailed girl is captured, i want her alive so that i can use her as bait for sora" he smirked. while andrew & the gang were sent to the dungeon, andrew asked the stupidest question of all, ". . . **whats a chain chomp?**". everybody shrugged except for genie.

~~~~~  
~~~~~

meanwhile.... "are we there yet?" i said whining. "not yet" sora said smiling. then we saw rose looking for me "rose!!" "huh, oh hi ally, come over here for a moment, i wanna show you something?" rose said. ". . . . . okay" i said running towards her. as i ran off, sora waited for me to return, until, "ahh!! sora help its jafar!!!!!!!!!!!!" i screamed. sora charged to where i & rose was, but when he got there, rose was gone & only saw jafar holding tails by her neck. i was so scared of what was going to happen to me. "ally hang on!!!!!!!!" he yelled as he got out his keyblade & charged at jafar. but then the guards came out of nowhere & grabbed sora as well. "hahahaha!!!, tails is quiet, i wonder why?!" jafar said as the smoke cleared away from him. sora eventually waited for alyssa to appear, but when the smoke cleared "ally, answer me!!" he yelled out. i didn't say anything, sora saw my tails for a while, but i didn't move an inch. "no!!!, let tails go", "indeed i will" jafar said as he letted go of me. sora tried to move, but the guards were too strong. jafar then picked up my shirt collar, & threw me towards the guards. one of the guards was so stupid to let go of sora's arms, sora then caught me but the guards got him again.

~~~~~  
~~~~~

"ally, tails wake up?!" sora said as he tried his very best to wake me up, but i didn't move, sora bent down his head & hid a tear from jafar. "send him to the dungeons" jafar said as sora & i were dragged towards the dungeon.

~~~~~  
~~~~~

"could i see them now please?" shadow said being excited again. "once when tails wakes up, then you go & see her" said the leader. "ah, i'm still thinking about roxas telling them the bad news" said the red-haired kid. "don't worry about him, i'm sure that we'll see him with tails & her friends sooner or later" said the leader as he sent the nobodies to capture tails & the others including roxas.....

~~~~~  
~~~~~

~~~~~  
~~~~~  
~~~~~  
somewhere far far away(i got that off of shrek 2). . . . .a boy was running from the nobodies trying to find tails & the rest of her friends

"huff,huff,huff,i need . . to find . . . . alyssa & her friends before. . . .its too late"roxas said to him self as he was headed stright towards Agrabah to find them & help them with their journey.

end of chapter 5

only one sneek peak & there it is: on chapter 6,andrew gets mad again,shadow appears & scares the living death out of ally,everyone is out of the dungeon, & *maybe*...roxas appeares..only on chapter 6  
^\_~\*

(yay i finished this at 11:31pm,a new record yay me!!!!)

## 6 - the great escape from the dungeon

as everyone was in the dungeon, this is what they did: princess jasmine just sat in a corner, aladdin was trying to find a way out, genie was thinking about something, abu was playing with a rock, andrew had maracas & he was listening to a song called cuban pete a.k.a. chik chiky boom 0\_o, & for sora he just kept an eye on me. suddenly i woke up, "oww! okay he's going to pay for that" i said rubbing my neck. "you okay?" sora asked. "yep". just then the door opened & jafar appeared. "\*stands up\* okay man our toast-" i said. "um, ally i think you need to try to calm down" andrew said being nervous. "oh yeah, he put his hand on my neck dude, he almost murdered me there, & that's why i'm going to kill that MOTHER----". sora then closed my mouth. "indeed you will soon enough" jafar said as he closed the door. aladdin ran to the door, but when he got there the door was locked.

~~~~~  
~~~~~

"now we'll never get out?!" jasmine said heading towards us, "does anyone have a plan around here?". everyone shook their head, except genie. "genie do you have a plan?" aladdin said. ". . . sorry guys i don't have one" genie said. "well, do you have a plan tails" sora said. ". . . tails?". where did i go? remember this : when jafar closed the door, aladdin ran towards the door right, well i ran with aladdin too, but as an eevee. but i didn't make it, then i saw a mouse hole just my size, when i got into my get away hole, my foot got stuck in a smaller hole. "crap?!" i thought to myself. but then i felt my leg being released from the hole & was pushed in a little more forward. then i got out of the mouse hole & was out of the dungeon. "OMG where is she, she was just right here?!" andrew said as he was looking for me. then jasmine remembered something. "um, guys-" "not now i'm looking for tails!!" "that is what i'm trying to tell you, i think tails changed into an animal, & i think i pushed her into this mouse hole" jasmine said. sora thought to himself, "i hope she will be okay without us, i hope she doesn't get caught".

~~~~~  
~~~~~

somewhere in a room.... i ran up the stairs still as an eevee. i stopped to take a rest, i looked back & noticed that there was a lot of stairs, i thought to myself. "i don't want to leave them behind, all i need to do is just get the keys & just head back down...". "okay ally, remember what mom said, *keep your friends close, keep your enemies closer, believe in your self, i can do this*" i thought as i went up the stair steps, finally i was on the last step "whew, thank you god" i said as i went up the last step. i sat down to take a breath from climbing the stairs. then i heard the guards, talking about something that i didn't know, "so jafar, how many days will the prisoners stay?" said a guard with very skinny arms. then i spotted the keys on a guard named razull, he always wanted to see people die, he was eventually the leader of the guards. i quickly went under the table & tried to get the key. "how about, until they're dead." said another guard. i thought about that, then i shivered & went back to the key. "lets wait till they meet Chase Young then they'll die in pain, hahahahaha!!!!" jafar said. "chase young, is he that guy on that show i watch every saturday, no way, i should have known that chase young was coming someday" i thought to myself as i got the keys. i put the keys around my furry white neck, then i ran down the stairs down to the dungeon. "aww, look a white furry eevee is carrying the keys ^\_^ . . . 0\_0 THE KEYS!!!!" SAID a

guard, "\*gasp\*B.U.S.T.E.D!!!"i said out loud.the guards were in shock when the white eeve just spoke."after it you fools!!!"jafar said as he went down the exit way.i ran as fast as my little eeve legs could go. i took a right turn,& the guards followed, the guards were so stupid to follow me into a room,i eventually got out,i closed the door & locked the door."get us out!!" said razull. razull heard a whistle right behind him,he turned & noticed that i was on the opposite side of the door twirling the keys on a paw . "it tricked us!" he said.i jumped off the window on the door, & changed back into a ~two-tailed~ girl."too easy"i said as i waved my hand & left."why you little- i'll get you for this two tailed girl, i hate this girl!!"razull said as he tried to open the door.then in the dungeon room. . . "how could she leave us,that is so rude!!!"genie said walking back & forth."genie calm down , she'll be okay without us"sora said sitting on a chair."OY COULD THIS GET ANY BETTER!!!"andrew said out loud."well i believe it just did?!"i said opening the door.andrew ran up to me & said,"ally where did you come from?". "i just been crusin",you know stealing the keys from the guards,they followed me into a room,luckily i got out & locked the door with the guards still inside"i said being cool with it."you know there gonna kill you for that"sora said as he gave me a hug,i blushed."oh you think,if we come back here again with all of my friends,then i'll trick them again."i said as i led them out of the dungeon room.as we went upstairs i showed them where the guards were.everyone laughed."thats not fair"razull yelled."\*glowing eyes\*\*walkes up to them\*then don't mess with me or my friends if we come back here,got that"i said.razull moved back toward the other guards.i walked off,then i felt someone poking me,i turned & saw sora crossing his hands,"\*blushing\*what,i'm just playing / harassing with them"i said arguing with him.

somewhere finally at agrabah...."finally,i'm at Agrabah,now i can tell them the bad news so that i can go with them along their journey"said roxas heading towards the city of agrbah.....

## 7 - the final showdown sora & the gang vs.jafar

as we all finally found the way out of the dungeon,i noticed that someone was heading my direction.i was confused for a moment,but i moved closer to see a better view.he wore a black vest,black pants,he had a jacket over his vest which the color of the jacket was white with black checker patterns on both of the sholder,his hair was kinda like sora's but on the left side of his head. and finally he had a necklace with four arrows pointing different directions.he came up to us,but he couldn't talk because he was catching his breath."is your name Alyssa Michelle Salas?"he asked,"um yeah,but . .why did you have to say my full name?"i said freaking out over my full name."because someone is after you & your friends,his name is\*looks on both sides to see if the cost is clear\*Chase Young". "what!!\*thinking to myself\*i'm i in trouble?" "&he"s heading towards each world to find you & your friends!!--" "wait-wait-hold on are you saying that me,melanie,raven,rose,collin,andrew,britany,dominique,& tails are going ta die from this chase young dude?"ace said freaking out & confused at the same time."let me think about that ace,no,yes,no,YES!!"andrew said being just like him."what do we do now tails?"raven said."how are all of us going to get back home?"britany said nervous."stay cool,stay cool guys everything is going to be okay-"i said,but was interrupted by collin,"okay,OKAY I'M NOT OKAY,I'M FREAKING OUT!!!". "YES!!! THATS IS WHAT THIS CHASE YOUNG GUY WANTS US TO DO"jonathan said helping me out."& what are we suppose to do,go to sleep & wait untill something happens?!"rose said trying to help."no we just need to wait untill alyssa comes,sheesh!!"melanie said."oh yeah like thats gonna ever happen,& i'm stuck at in a graveyard". "i'm stuck in a cave". "your stuck in a cave?". "yep & i don't even know where to start". "me & andrew are at agrabah first visit". "aa,no fair tails you get stuck at the good place,that goes to u too andrew". "& the good thing is,me & andrew are with sora,donald,& goofy ^\_^". "aa, that sucks man,you get stuck with your boyfriend,while i'm stuck in a dark room with less light.". "oh ,i fell sorry for. . what?","you know exactly what".when they heard that,andrew got pissed off,i was confused,donald & goofy were laughing,& sora blushed.". . .who are we talking about here?"i said confused."i'll give you a hint,he"s your age"britany said tourtering me.". . !\*blushing\*,oh HELL NO!!". "i'm signing off bye-bye", "oh did i mention that-".everyone just signed off,". . .nevermind". "you like me?"sora said blushing & confused.suddenly a little green dragon popped out of my shirt & told me,"b-u-s-t-e-d ohh!!". "dojo! why are you here?"i said."when you & your friends came here,your sister,Cristina putted me into your bandana &so here i am with you"he said.i felt like omi for a min.i pulled him out of my shirt & placed him on my head."oh great,my sister brought me a gekko"i said as i looked at the sky,"a gekko!!"dojo said as he transformed into a larger dragon,"DON" T YOU EVER CALL ME A GEKKO!!, & YOUR SISTER TOLD ME TO KEEP AN EYE ON YOU even though your still the littest child in the family"he said as he looked down,he only saw sora,donald,goofy,aladdin,jasmine,genie,abu,&andrew."hey were"s ally?"he said."you SQUASHED HER"donald said.dojo moved,the only thing remained was my fox ears & my whole body barried in the sand.i was struggling to get out,andrew was still pissed off,but luckily sora helped me,the only thing that popped up was my head,arms& my chest -\_- .suddenly jafar appeared & changed into a powerful genie,& pushed everyone away from me except me.then he lunged his hand at me,i freaked out & tried to get my waste out but i couldn't.i thought to myself,"i'm gonna gat myself killed>\_<"i snaped out of it & noticed that i was in the hands of jafar.he moved his hand back,i figured out that he was gonna throw he out of this world."dojo help!!"i yelled.but he was paralized he was unable to move.then i suddenly remembered that i was propelled forward three days ago,"if i can propell forward,then i can i fly as well"then i remembered that i as still in jafars hand,then andrew saw that i was about to get thrown, "ALLY!!"he yelled.but he as too late,jafar threw me soo close up to the clouds.then

sora noticed that he was using a power called dark ball, then he threw it straight at me. i was trying to use my tails to start flying "come on you stupid tails, fly, fly!!!" i said to my self, i heard something coming up from behind me, i turned my head & noticed that a dark thing was heading for me. i struggled to fly again, i got hit in the back & was pushed towards the clouds i eventually screamed out one word "MEW!!". "no" andrew thought to him self "she's gone" roxas said doing the same. jafar changed back to him self & was laughing. "now you won't see your two tailed friend again" he said as he laughed. suddenly, "GREAT!!" someone yelled. jafar stopped laughing "huh?". "I COULDN'T HAVE SAID IT BETTER MY SELF!!" someone said again. then the same dark ball that hit ally, came back but stronger & hit jafar & crashed him into a wall where the lamp was held. "okay who threw that?" sora said confused. "look!" goofy said pointing at the sky. in the sky came something flying, genie changed into a microscope, & what did genie see?, he saw . . me flying in mid air. "its tails, she's alive!!" genie said changing into me, but in a different color. i came down lightly, but landed on my kness. "tails you okay?" sora asked, ". . . yeah i'm alright, just bursied, & my clothes are torn up, \*tries to get up (but sora helped me)\* i'm not gonna look like this tommrow?" i said. "don't worry tails" donald said cherring me up, "you'll find some other clothes i know you will" goofy said helping me too. i was too shy to say something, but i only smiled. suddenly abu came up & gave me jafars lamp. "here sora, you can destory it" i said blushing & was shy at the same time. "no thanks you can destory it, besides you deserve it" sora said doing the same. i shook my head & said, "i'm too weak to hit it, when i threw jafars power, i used my speed & strength on it" i said, "i'm not a hero, i'm just a two~tailed girl with a mind of her own". "\*smiles\* you may think you aren't a hero, . . but to me you are" sora said blushing. i looked at him back, & only blushed. he placed me down & took out his keyblade, he thought to him self, "this is for ally" then smashed the lamp into pieces, while jafar disappeared.

later that day, we went to the palace to have good honor from princess jasmine. but razull found a left over key in his pocket, when he went to the palace he saw me all wrap up in bandages on my arm. "GET HER!!!" said the guards. "oh snap gotta go ahh omg!!!" i yelled as i jumped up i was flying again. "so within five hours you found a left over key, classic" i said tourtering them. but my propellers stopped, & i started running again, "can't you just take a joke!?!?!?" i said hiding behind jasmine. she ordered them to stop, & they did. suddenly sora's keyblade started to glow, i ran toward him, because one of the guards didn't listen to jasmine. i went over the crown symbol under me, i accidently touched sora's keyblade & my hand activated the keyblade. a strong wind went under me & sora, eventually i was pulled up my the current. "snap!" i yelled. i felt like a bird that had a mind of its own business. suddenly my hand was grabbed by someone elses hand, i opened my eyes & saw sora's hand. when the current stopped, i fell as i accidently letted go of sora's hand, "eep!" i whined. "you can open your eyes now" sora said. i opened my eyes & noticed that sora grabbed me i only blushed, he gently put me down. i turned & looked at him, then he looked at me. then the keyhole appeared, sora reached out his hand & grabbed mine, then we both closed the keyhole. then as everyone left including roxas towards the gummi ship, sora kissed my cheek. when i felt it, i blushed.

as we left chase young came & was holding the pieces of jafars lamp "follow them my second aprentice" he said & the 2nd aprentice did went after them & followed to stop them [first question: who is the 2nd aprentice's name & why does he wish to follow them?]

chapter 11:the disappearance of ally & mushu

I woke up laying on my back about...i have no idea wat time i got up.i looked around wondering where i am,"...i thought i was back into my tent?"i said to myself.i noticed a flower pedal that landed on my nose,i sneezed,but i was okay."ok...maybe not..."i said to myself again."bless you..."sora said nicely while he was asleep,"\*fox ear twitched\*oh-\*smiles sweetly\*thank you sora...SORA!!"i screamed as i sat up & moved back two or three steps while i my face was flushed red.i covered my blushing face while i accidentally woke sora up."do you have to yell,i mean,did you have to scream my name out loud..."sora asked.i didn't listen to him,my mind just went on its own,"-inner tails-OMG WAT DID I DO?!...\*confused\*did i sleepwalk,d-did i wake up & wanted to look at the stars?!?!WAT DID I DO?????".i was so scared,"oh lord,"i said to myself while freaking out."well lookie here"someone said.we both looked around to find him,i looked down for a moment...then my expression change to a overwhelmed look.sora noticed me looking down,so he looked down & saw mushu looking at both of us in a happy yet,something about a secret."...what?"sora said confused."you know exactly WHAT"mushu said in a happy-ish way."okay LAST call before i kill you,mushu"i replied to mushu.he just stood there like i was an idiot ><,"...DO YOU HEAR THE WORDS THAT ARE COMING OUT OF MY MOUTH!!!!!!"i screamed to teh top of my lungs."yes,yes,i read the mouth that are coming out of your mouth..."mushu replied.i tried to sit up,but i lost my balance & fell"ouch><"i said out loud,"ally,you ok?"sora asked.i turned my head & looked at him,we both stared at each other."\*cough\*lovebirds\*cough\*"mushu replied.sora glared at him,i stood up & turned away....

"ally,whats wrong?"sora replied to me as he placed his hand on my shoulder.i mainly blushed,"n-nothing,um...i'm gonna go to my tent now"i replied back as i walked off to my tent,sora just looked at me as a starry-background appeared out of nowhere."aw..i saw that..."mushu replied as the background faded away[sora's daydreaming ><].he snapped out of it & looked at mushu,"what?"sora asked."you LIKE her,don't you?"mushu replied again..."no"sora shouted as he stood up,covering he red face,"you know what...forget it.."sora complained as he walked off to his tent,leaving mushu behind.As for mushu...he grinned because he knew what happened.

as sora grabbed his jacket,he noticed me in diferent clothes like before.i wore a blue shirt with navy blue pants,my hair was up in a ponytail with the hair clip holding it in place,my white jacket was wrapped around my waist.sora just stood there looking at me,suddenly the starry-backgorund appeared again."sora,are you okay?"i asked him as the background faded away once more."huh-oh,umm..yeah i'm okay"sora replied as roxas came out of his tent,& overheard our conversation."WHAT'S GONING ON AROUND HERE!!!><"roxas screamed as its scared us to death."why do you care?"i hollared."i don't,tell me anyway"he replied like he was seifer."we were just talking"sora replied back."talking?"roxas asked as he continued,"in your voice,sora,i think i know whats going on-".Shang walked up to us & said,"the huns are in the southern mountains...pack your bags & get ready to start walking".we all walked into our

tents,I was the first one to get out with my stuff.roxas poked his head out once again,"[why are you always getting out first?](#)"roxas asked."[because i pack my stuff first BEFORE we move out](#)"i replied as i want in line.sora got his stuff next & eventually was right behind me.roxas noticed sora put his arms around me,i blushed>.<..roxas rolled his eyes & mainly followed dominique,andrew,donald,goofy & ping.

it took us an hour to head to the mountain top,i stopped eventually,i looked at my legs for a second.my legs were stiff,my fox ears were cold,my tails suddenly turned to ice."[this is no place for a lady](#)>.<"i screamed as i continued on,with no answer.i finally caught up with the others with dominique by my side,then we noticed snow was falling from the sky.i never saw snow in my whole life,till this day.suddenly my fox ears perked up hearing a song that i remembered from my home:

a girl worth fighting for:

-everyone except me,ping,& the others-For a long time we've been marching off to battle

-dominique-In our thund'ring herd we feel a lot like cattle

Like the pounding beat our aching feet

aren't easy to ignore

-andrew-Hey, think of instead

A girl worth fighting for

-ping-Huh?

-andrew-That's what I said:

A girl worth fighting for

-sora-\*daydreams about someone while singing\*I want her paler than the

[moon](#)

with eyes that shine like stars

-roxas-My girl will marvel at my strength,

adore my battle scars \*i stuck my tounge out\*

-ace-\*sings in the walkie-talkie\*I couldn't care less what she'll wear

or what she looks like

It all depends on what she cooks like

Beef, pork, chicken...

-everyone except me-Mmm...

-andrew-Bet the local girls thought you were quite the charmer

-goofy-And I'll bet the ladies love a man in armor

You can guess what we have missed

the most since we went off to war

-ace-What do we want?

-everyone-A girl worth fighting for

-andrew-My girl will think

I have no faults

-roxas-That I'm a major find

-ping-uhh..How 'bout a girl who's got a brain

Who always speaks her mind?\*dominique & i stand in a corner sulking\*

-everyone,including me-Nah!

-johnathan-My mainly ways and turn of phrase

are sure to thrill her

-ally-He thinks he's such a lady-killer

-the bad guy that was told to follow us-I've a girl back home who's unlike any other

-me-\*yells out loud\*Yeah, the only girl who'd love him is his mother-the dude cries-

But when we come in victory

they'll line up at the door

-roxas-What do we want?

A girl worth fighting for

-sora-Wish that I had\*kisses ally\*

A girl worth fighting for

A girl worth fighting-

as everyone stopped,it was dead silence.we were staring at the remains of the town we were heading to.i was mainly looking at a large stick wrapped around it,i was actually staring at a sharp dagger attached to it..."omg,"dominique spoke as she looked at me,i remembered that the heartless were the ones who destroyed my home,"this is horrible><,we never should have left the camp"roxas hollared as he was about to pull out his hair.suddenly i overheard flapping noises in the distance..."ally?"sora replied,"are you okay?".the noise started coming closer,& closer.i moved my head to the left...then to the right..."tails..you still there?!"mushu asked as he moved his arms across my face."ally,"dojo replied..,"hey,what are u staring at?-". "shutup,string bean,i'm hearing something"i screamed."yeah you heard her,shutup". "WAT DO YOU MEAN SHUTUP RED-NECK>.<". "don't call me a red-neck". "just did,loser><". "what do you mean a loser,how bout if i pop one of your antennas off & throw it across the yard,then who's the loser...me or you?!". ".....yeah,its just....it feels like,half of me is gone..."sora replied as he finished on his tent & went inside.ping KNEW how sora felt....somehow,something's missing from the group,she saw dominique looking for someone."dominique,"ping responded as he went up to her."yes?". "who are you looking for?","mushu...why do you ask?","because i have a weird feeling that he's gone...".dominique didn't say anything,then she spoke,"oh...well,i found dojo". "you did...but i thought that he was with ally?"ping asked.sora overheard ping & dominique talking,he sat up & listened clearly. "i guess not,"dominique continued,"i think he just fell out of one of her pockets in her backpack...","where is he?","he's in the cave...i think"dominique replied as she pointed at the cave."well...i better get some sleep,see ya later ^.^".as dominique left to her tent,ping ran towards the cave...sora was about to get up,but he was too tired & fell into a deep sleep.

somewhere at destiny islands....a girl was walking up a hill towards the town."kairi! wait up!"selphie yelled as she caught up.kairi turned around & smiled at selphie,she was wearing school clothes:a white collared shirt with a short blue & white checkered skirt.she carried a bag full of stuff.they both continued on walking,the waves echoed though the island."hey,wanna come with me to the island,tidus & wakka are wrapped up in their ball game & won't go with me..."selphie asked."not today,sorry"kairi replied as selphie stopped.kairi took three steps foward,stopped & looked at the island."aw,why not?"selphie asked kairi."do you remember those boys on that island?","riku?","yeah","i wonder what happened to him...i sure miss him...","he's far away,but i know we'll see him again"kairi replied as she smiled."yeah,"selphie quickly responded,"of course we will".kairi was happy,until she remembered something that made her feel very sad,"and the other boy?","what other boy?","the one who use to be with riku & me all the time...we played together on that island...his voice always use to be there,but now its gone...i can't think of his face or his name..i feel awful about it...so i told myself,i'm not going back til i remember everything about him"kairi explained to selphie."you sure you didn't make him up?"selphie asked her.kairi nodded her head,as the sun came down & made the sky turn red-orange to purpleish-blue.

the next day at the island,selphie was looking for kairi.some people said that she was at the harbor or the beach...as selphie ran to the beach,kairi was standing there,all alone looking at the island.as selphie walked right next to kairi,she was pretty sad."kairi..."selphie responded to her.kairi touched the side of her hair...she kneeled down & dropped a bottle in the sea."wats that?"selphie asked."a letter,that i wrote yesterday...i wrote that,'no matter where you are,i still find you no matter what hapens',& when i stopped writing,i remembered that we made a promise...something important,this letter is where it starts,i know it" kairi explained."wow, hope he gets it","yeah,","lets see...starts with an "S"... "kairi reminded herself as someone told her that his name starts with "S","right?..sora?.."

## 13 - the bird returns

As sora went to the mountain pass...he overheard flapping noises..."...what was that?"sora asked himself.then he overheard roters."roters?...i better find tails quickly before the noise gets louder"sora told himself as he went further ahead..."well..."someone replied as sora looked around..."your not stupid after all!!"."WHO'S THERE!!!"sora yelled back.its was actually a girl's voice....she giggled and said,"a shadow..."."who are you?". "i'm not telling". "why not?","because i said so,thats why"....."well....at least your not dumb like that *other* guy who flew not to long ago..". "wait...did you say...someone was here not to long ago?"sora asked."yup"the voice replied."who?"sora asked.she giggled & said again,"i'm not telling".sora gotten so mad that he pulled out his keyblade & was about to explode.she giggled at last & finally said"now,now,keyblade master...calm down,no need to spread your anger on anything around you..".suddenly the flapping noises gotten louder><."ooh,i better go...but you better find your friend before she gets taken away"she replied as her voice slowly faded away."hey,wait"sora yelled.but she was gone.. ".....who was she?"sora asked himself as he continued on to find me.

meanwhile....i felt cold somehow....i never feltcold,unless if i was below 30 degrees...where..am i?i thought to myself....where are my friends.....sora?....."i found you!!"someone exclaimed.".....who's there?"i asked as my fox tails moved around."first things first....WAKE UP!!!!!!".i quickly sat up as a bunch of snow landed on my head,my tails suddenly became...poofy.i looked at tails for a minute or two.i got up,pushing the snow off of me.i looked around to see to told me to wake up....but no one was there.suddenly i heard a girl's voice,"hee hee...are you sure that you'll find your friends...seperated from you...no way to get back home...no matter...at least you'll go the easy way". "where are you?"i asked as i looked around again."behind you"she told me as i quickly turned around & saw a imp.she had a weird hat that looked like it was old looking...she had glowing marks on her arms....her eyes were bright red...her skin was part black and white."who are you?...& why are you here?"i asked as she stared floating."my name is midna...and i'm here to help you and your friends"she replied as she flew next to me & leaned on my let arm."could you talk to your friends that i am here to help you guys?"midna asked."sure"i replied as she floated away from me."good...now are we ready...good lets get going"she told me as i headed to the campsite.

AHHHH!!!!WHAT WILL WE DO,WHAT WILL WE DO...WHAT ARE WE GOING TO DO!?!?"dojo screamed as he ran around everyone.roxas grabbed dojo & slapped him[just to calm down]. "DUDE!get a hold of yourself...now,\*drops dojo\*what to do?"roxas explained as the started to think of a plan.there was a small hole of where dojo fell.dojo popped his head out of the snow...he heard voices...from afar...winder who it is...."hey....roxas!!...OVER HERE!!!!!"someone saidas roxas turned around& saw sora running towards them..."SORA!!"roxas hollared.sora stopped & caught his breath."wh-where's ally?"andrew asked.sora paused for a moment...then turned away..."she's gone...we have to find her before the bird does..."."wait...the bird is still here?!"dojo excaimed.sora nodded."who said that the stupid bird is here?"ping asked..."i'm not sure...i don't know who she looked like"sora told us."well..we better find her first before the bird does"dojo said.what did she mean by that?sora thought to himself as

he looked down & saw a blue skitty purring on his leg.he knew that it was a girl...the skitty looked at him,it sniffed the ground & then it ran off."sora!"roxas hollared,"come on...".sora looked back,then followed everyone else.he noticed the blue skitty again...following him...sora kneeled down & picked it up.the skitty looked at him for a minute or two...then it started purring.sora quickly followed everyone else.the skitty's ear suddenly moved,it turned around with its paws on sora's shoulder.it was looking at the mountain top.but nothing was there.just as they left,i appeared along with midna..."good job..you lost em'...now where gonna have to find another way to get ahead of them..."midna told me as he looked around."well thats just great..."i thought to myself."maybe i could find a wild pokemon around there...oh wait i forgot...i can't speak THEIR language...now what?!"i thought to myself again.i noticed a pikachu running towards the city."do you want to become like them..."midna asked as i looked at her..."if you want to become a pokemon...your gonna have to become one yourself....here i'll give you the power to change to any type of pokemon anytime you want & you can change back to a human anytime...."she said as she opened her palm revealing a dark magic to change into pokemon.i gently touched it.its magic moved all around me.my necklace suddenly sucked in the magic.my necklace's light covered my body."whats this...this feeling...so ..warm....it feels like...i'm shrinking..why?"i thought to myself.plus...i was shrinking..to a small form...suddenly the light faded away...& the next thing i knew...i was.....a skitty?"there..now you can go into small places & will find sortcuts along the way....plus...you can use any type of power from any pokemon & use them for YOUR attacks."midna explained to me.i looked all around..everything was so big...i noticed the same pikachu..."h-hey!"i answered.i gues it noticed me,"oh! hi my name is jake and you are?"he asked."i'm ally"i said
