**Chapter 1 - Mistaken Identity**

# 1 - Mistaken Identity

?she was gone in a flash  
right before my eyes  
when that hammer came down  
that was the end of our lives  
what drove her to this  
her diary told  
she really loved me  
even though I was heartless and cold  
her diary said  
there's only one thing she regrets  
is telling me this  
the day that we met  
it said she was going to kill herself  
because I would always decline  
her requests to go out with her  
when the day was just fine  
she thought I hated her  
because of this  
so she thought she was  
granting my wish  
if only I told her  
about my love  
and I could be  
with my turtle dove  
so as I knelt there  
next to her on the ground  
I reached for the gun  
and that's when I found  
it wasn't her  
lying there dead  
it was me  
with a bullet in my head  
it was her kneeling there  
getting ready to shoot  
with a letter in her hand  
and blood on her boots  
before she shot  
herself in the heart  
she said she couldn't  
stand being apart  
when she pulled the trigger  
there was a very loud blast

she must have thought to herself  
that we can be together at last  
when she appeared next to me  
I revealed my love  
she said I love you to  
my sweet turtle dove
