I made this shortly after seeing a video on Youtube about Charlie and the Chocolate Factory. This is how the movie should have ended.

Chapter 1 - The END!

1 - The END!

How The Hunchback of Notre Dame should have ended:

Frollo: I do, I doooooooooooooooooooooooooooooooooooooo!

Quasi: Finally! I thought he'd never shut up! I can't believe I lasted twenty years listening to the drivel coming out of that weasel's mouth. Now I can finish my wooden pieces. And go to the festival. And watch daytime television.

Watcher 1: It's only been twenty minutes and one song! This movie sucks!

Watcher 2: Let's go kill Disney!

Watchers: Standing and singing, singing and standing. Singing and burning, burning and singing. Roasting and frying, frying and roasting.

Clopin: I only got to sing one song! I hate my life!

Esmerelda: I didn't even get to sing at all, even though I've got a perfectly good song!

Phoebus: Consider yourself lucky, I don't even sing in the movie!

Esmerelda: That's because you CAN'T sing.

Djali: Baaaa!

Me: Th-th-th-that's all, folks!
