Chapter 1 - The comment	2
Chapter 2 - Now,lets tackle that comment!	3

1 - The comment

Well, it all started during either mah 2nd or	1st week on FAC. (i never	r can remember,STUPID MEMOF	ł۲
BLACKOUTS!!!!!)			

~*~*~*~*~*~***************************

I was editing my profile with a brand-spanking new pic,when I saw a little box at the bottom of the page. It read:"Email me when my pictures get new reviews"

So, DUH, I clicked on the box, a little check appeared in the box.

Later that day I checked my email,and it said I had gotten a new comment on my profile! :) Of course,I WAS THRILLED! :3

So I just HAD to check it out! (It would've been a sin not to....:))

I clicked the link and BOOM! I saw the comment,and was even more thrilled than I was 5 seconds ago!!! XD

2 - Now, lets tackle that comment!

Someone named "Senkoneko",had commented?! O.O At first I thought,"Cool name!"!

So I read it,she was asking me 2 read her stories! ^-^
And,why wouldn't I say yes?! O__o;

So thats what I wrote back! Right away I read those stories!! '_'
They were both hilarious! ^O^

After the stories,I decided to email!(YAY EMAIL!)
Then I asked her if she wanted a request or 2.
And OF COURSE she said yes!(Who could resist a free request?!)
She asked for a kitty named Kitty! (Thats cute!And ironic.)
I made the picture,and along with that I asked her if she wanted to be friends!
