*It's just a sentimental poem from a sentimental person expressing her feelings for the end of the school year.*

# 1 - My Poem

Dedicated to the people at my school.

(Yeah, even the ones who made me suffer so badly!!)

It's almost summer,

Vacation season,

But I've got a lot of reasons,

To not want the school to end.

For the people I've met,

For all the things I have done,

That I'm not going to forget,

Not even when I head home.

For all the things I've discovered,

with all my mates, and best friends,

I don't want the summer to come,

I don't want the school to end.

For all the things I have felt,

The good, and the bad ones,

which my heart have melt,

and re- build perfectly.

For all the people that'll be gone,

For all the friends I will lose,

For all the memories in my mind,

That I want to conserve.

And finally for all of you people

Who put color to my world,

Who make my life a lot better,

Who put your warmth in my heart.
