1 - Part 1

(Buu is destroying planet Zapazoid)

Bran: How are the troops holding up?

Mad: not so good, buu has destroyed almost three quarters of them!

Bran: Get Brian and Nick now!

Mad: Yes sir!

later...

Brian/Nick: We're here.

Bran: Good the four of us must evacuate to a planet called earth. It's not safe here anymore, the planet will blow up any second!

Mad; but...

Bran: We have to we'll train on earth, if we even want to oppose a threat to buu.

Brian; ok then lets go!

BOOM! SMASH! CRACKLE!

2 years Later on Earth....

Brian: WOW! we barley escaped!

Nick: Yeah

Mad: Wonder where we are?

bran: we should be on kami's lookout

mr.Popo: Who are you

Nick: we're from a planet caalled zapazoid!

brian: yeah it was destroyed 2 years ago by Buu!

mr.popo: not him!

Bran:What do u mean?

Mad: you know him?

Mr.Popo: Yes, he has just destroyed our final defense. they were supposed to be the stongest fighters in the universe! but buu beat them, not even fusion and super saiyan3 worked!

Mad/Brian/Nick/Bran: WHAT!?

Bran: did u say super saiyan?

Mr.Popo: yes, why do u know of them?

Nick: do we know of them, we are them!

Mr.POPo: REally?

Mad: YEah, Zapazoid is the lost planet of the aiyans!

Brian: That's right! WE can all go to super saiyan 4!

Mr.POPo: That's great! do you think you could help us beat buu?

Bran: Sure we'd be happy to help u after what he did to us!

Mr.POPo: OH! Thank you. Yajirobe and korin are inside. they'll get you cleaned up and give you something to eat!

All: All Right!

Later.....

Brian: WOW! That food was awesome!

Nick: yea! but i couldn't eat another bite.

Bran: Ummm..... Mr.Popo do u know a good place were we could train?

Mr.Popo: Yes, it's called the hyperbolic Time Chamber. the gravity is heavier there, and 1 minute here is 6 hours there!

Mad: All right! This is great now we can improve our fusing and fighting skills!

Brian: but what if we get to weak and injured while we're training?

Mr.Popo: not to worry here is a bag of senzu beans for each of you.

Bran: What are senzu beans?

Mr.POPo: They're tiny beans that restore you to full health after eating one.

Bran: cool

Nick: Well, what are we waiting for? Let's go!

IN the Hyperbolic Time Chamber....

Brian: Wow! THis chamber really works, i fell much stronger.

Mad: yea, i think i'd be able to go to super saiyan 5 if there was such a level!

Bran: i think buu id still stronger though.

Nick: you do?

Bran: Yea, i mean didn't you see how easily he wiped out our forces, and then the fighters here. they were incredibly strong, so buu probly absorbed them making him extremly powerful.

Nick: Well then i guess we have a lot more training to do, so let's get started.

Later.....

Brian: man i'm exhusted, why don't we try a senzu bean and see if that helps.

Bran: Good idea.

Mad: Wow! I feel almost 10,000x!

Nick: Me too!

Brian: Maybe we don't have much more training to do afterall!

Bran: Hmmm..... Maybe, but how can we tell if we're stronger than buu?

Mad: Easy, we have a 2 wasy battle. You and Nick fuse and me and Brian will take you on.

Nick: I see, and if we do really good then there's no way buu could beat us!

Brian: All right, let's get started!

6 hours later.....

Mad: Mad I'm wiped out!

Brian: Same... u guys are really good.

Branick: Thanks, now everyone eat a senzu bean and then take buu down.

Mr.Popo: Wow you've done excellent traing!

Bran: Thanks, but i just hope it's enough.

Mr.Popo: I hope so because Buu has unimagivable power. Well. Good luck!

Soon....

Brian: hey Buu! Why don't you come over here and fight us?

Buu: Fine, but you should know that you have no chance.*does a little snicker*

Mad: Oh yea? Well, i think you might be quite suprised in what you discover.

Brian: Brandon, Nick, do it now!

Bran/Nick: Fuuuu-sion-Haaaaa!

Branick: alright Buu, let's go.

Buu: Well this is nothing new. And i'm not suprised!* Starts to laugh*

Brian: *attacking from above*Well then, are you suprised by this? Burning Spirit Slash!

Buu: What? Ahhhhhhh!*panting very heavily, and badly cut all over, and thinking to himself* What was that? It was so fast, not to mention painful. I've never seen anything like it.*now talking to fighters* That was just luck, i wasn't ready.

Mad: Suprised Buu? Well here's another one.*Starts to power up* HAAAAAAAAAAAAAAAAAAAAA!*is now SSJ4* Gee u look kinda socked, well guess what everyone of us can do it!*Branick and Brian turn SSJ4*

Buu: This is quite the suprise, but you still oppose no threat to me.

Mad: Why you! Final Ba....*Buu interupts*

Buu: Gotcha! Time to become part of me!

Mad:Oh NO.... AHHHHHHHHHHHHHHHh!

Buu: Much better. Do you still think you can beat me now? I mean look at you. You dont' even stand a chance!*starts to laugh again*

Brian: You're wrong Buu. Branick and i have another trick Mad didn't know about. It's called double fusion!

Buu: What! No! But that means....

Branick: We'll have enough power to defeat you. Ok. Brian let's do it.

Brian: Right.

Branick/Brian: Fuuuuuuu-sion-Haaaaaaaaaaaaa!

Brianick(can't think up names for my life!):Now who doesn't stand a chance? HUH Buu? Time to see what reall power is! Now, Super Flaming Ghost Kamikaze Attack! Hahahaha! I'd lie to see you fight these!

Buu: Those? Don't be serious! there shrimp!

Brianick: Fine, have it your way. Go Ghosts GO!

Buu: Gotcha! What?

Brianick: Oh yea, i forgot to mention, they explode on contact, and give you a nasty burn!

Buu:*in searing pain* Nooooooo!*now looking very deformed* You'll pay for that one, i promise you that!

Brianick: That will never happen because you're going to die now! Ultimate Big Bang Wa.... What? Oh NO! The fusion, it's wearing off! we're seperating!

Bran: Great, now were all seperated, and it'll be an hour before we can fuse again!

Nick: Then i guess we'll just have ti hold him off until then.

Brian: Well we'll do that, if we can,

To be continued.....
