1 - Mask of life

I get up, i start a new.
I know that this story will be a new.
I dont want to show my pain.
I make this mask, with all that i've gained.
i try to show you all i knew.
you turned me down, betraded by the only one i knew.
i dont want you to see how you hurt me.
the pain weld up, i got sick of crying.
i made a mask, so i would stop crying.
I hide my face under this mask,
just for you so you dont see the pain full
truth that lyies beneth.
cant you see, i loved you.

ps: if you think this is emo, go jump in a lake and die! lol but if you dont think it is your cool!
