**Chapter 1 - Tranon**

**2**

# 1 - Tranon

name: Tranon

age: Unknown

Tranon is a shadow demon. He was in many wars to know what he is doing, he commands his own troops that are a shadow creatures. Tranon's special ability is that he can phase into his enemy and once inside his enemy he rips them apart from the inside out.

how tranon was found in my little mind i call brian- well it was a while back at school (way back) that i had to write a report about Greek gods and goddesses, we had to make up our own. So mine was the Goddess of Shadows!  
but any way i had to draw a pic of her... and maybe if i post it on here i will point him out. but that is how Tranon came to be! lol... (he is not human form or animal form! NOTE: demon!!!)
