Chapter 1 - her poem	2
Chapter 2 - his poem	3

1 - her poem

Just go away
cant you see im in pain.
you dont want me
cant you just go away?
now in the darkness with no light
you call my name
i hear nothing
just the sound of my pian.
dont let me die here
its not why i came
to find myself i cant explian
now in the darkness
i feel so safe
abandoned by hope
even my faith
save me from this before i go insane
dont let me die here
i drowned in our pain
because i know now its no longer a game.

2 - his poem

Please come back
I call you but you don't respond
We had a bond
I was foolish to abandon you
I don't think I can continue
Please come to me
Don't cry anymore
Leave those tears behind
I am very kind
I was wrong and you were right
I want to hold you tight
Don't give up on hope
Or your faith
Don't die
I can explain
This was for no fame
I know this is not a game
I won't blame you if you haven't come.
