Chapter 1 - my heart

2

1 - my heart

*Cut out my heart
Nail it to the wall
Watch me slowly as I fall
I do not cry
I do not call
Just watch me as I fall.
Don't worry I forgive you
Too bad I should have known
Blood drips as if falling off delicate lips
Red falls from the wall
I will never call
Just watch me fall
I lay there
Life never seems fair
But you were the only one that cared
My heart visible
I gave it to you
Hoping for salvation
You took advantage
You played with it like a toy
You were a silly boy
So ...
Cut out my heart
Nail it to the wall
Watch me slowly as I fall
I do not cry
I do not call
I just ask you
Please
Watch me as I fall*
