**2**

# 1 - dont fix me

*Broken*

*I am broken  
I've been hurt  
I'm bleeding from the inside out  
But I never will call out  
Why do they think I need to be fixed  
Just because I'm broken  
It doesn't mean I have to be fixed  
I cry tears of pain  
Of what I gained  
Nothing  
It's too late the pieces of my heart are shattered  
In tiny pieces  
Everyone looks at me  
Like I'm supposed to pick them up  
Too bad I won't  
I'm broken and I will live  
Just because I'm broken doesn't mean I need to be fixed  
Try with glue  
Good luck  
Tape  
Not enough  
I fall to pieces every day  
No one thinks right  
What do you expect  
I'm broken  
When I'm open to this world  
I just get stabbed  
When I'm gone  
I will be whole again  
But for now I'm broken  
I don't need to be fixed  
Leave my heart  
Leave my soul  
Leave it all  
I'm broken  
But when I'm gone  
Gone for good,  
From this world  
I will be an angel*

*Because I was broken when I was open to this world*

*Last to remember*

*Don't fix me*

*I'm broken*

*The piece are here I see them fine*

*I don't bother to pick them up*

*I don't care anymore*

*I am broken...*

*... and I don't want to be fixed...*
