Chapter 1 - love for you

2

1 - love for you

*I love you
But I never said it
To shy
I find it hard to believe in
Love
Who would have ever thought
Love has fallen on me
It brings out the best
But I can bring out the worst
Love
If only it was pure
I love you
If only I could tell you
I hid in the darkness
After he dumped me
You brought me back
Back to a place I thought I would never see again
I loved you
And still do
Love this
Love that
Love should not be dangled in front of you like
An accessory
The weak
The strong
The poor
The losers
All mean nothing when it comes down to what matters most
Love should be cherished
Not toyed with like a doll
Love is not an accessory
I loved you
I see the people
Do what love should not be used for
It is true I have seen it
They don't tell me
But the songs are true
It's too bad I never told you*

Signed with my heart.
