**Chapter 1 - fly away**

**2**

# 1 - fly away

*In this world  
I am looked at like a freak  
An outcast by the way I act  
People look  
People ask  
I don't care anymore  
I show nothing  
Not even the slightest emotion that I care  
But I do  
Trained myself to not show it  
I might have just blown it  
I should have forfeit  
Now I don't know where I can be  
Not normal  
Not myself  
Not even those who judge me  
I turn away from this cold world  
Only to be made into a hard  
Cold  
Heartless  
Emotionless  
No body  
I don't care anymore  
If I live  
If I die  
I want to fly  
Fly away from it all  
Soar like the golden eagle  
Fly away  
Live it all behind me  
Start a new  
Hey who could have knew  
Could be the best  
I might even get some rest  
But I can't  
Clipped wings  
Make it's so hard to fly  
I don't want to die here  
I need to get away  
Make a chance  
I will try one more dance  
With my wings and the wind*

*That they may  
Finally lead me where I belong.*
