Chapter 1 - leaving life

2

1 - leaving life

Let me die now
I feel nothing
Leave me
I'm pathetic
No use
I watch life go by
Not even one cry for me
I reach for what only matters
And all find when I reach
Is nothing
I fight and lose
Only making it worst
I stand up and get shot down
And bullet so painful
I just lay there
Words are strong
I find trust hard
I find lies easy
I bring new pains
Only leaving cuts when they settle
In the end I wont matter
No one cares
I don't care
Leave me be
I will go to my corner like a beaten puppy
I will sit there and cry
I look in a mirror
I see no one
No body
Leave me alone
Noting can stop this pain
I have nothing anymore
Not pride
Not saddest
Nor happiness
Leave here and go on
I am nothing
I will stay and watch life go on with out me
