Chapter 1 - She was

2

1 - She was

*She told lies
She hid the hate
She held it all
The fact that she
Had never fostered
Hate
She held it in
Never showed it
She hid behind that mask
Her face hidden
She was the princess
She was the friend
She was the lie
That saved her skin
She was the flower
On the casket
She was the dirt in the ground
She was the nightmare
She was the best dream
She was the warrior fighting
For her freedom
She was anything she wanted to be
But never got the chance because she was
The victim
She understood that she was the one
That life could so innocent
Then it would turn on her
She was the mother
A goddess
A princess
A fighter
The flower
And she sits and watches us
She preys as we go on in our lives
For the mothers
The sisters
The brothers
The princess
But she holds her head high and never sheds a tear
Because she was the
FIGHTER
THE MOTHER*

THE PRINCESS

THE GODDESS

THE FLOWER

And the victim

That had never had the chance to

Be those.

But now she the angel

The guardian

The helper

And herself

so she's the angel

that watches

and waits

for that little

chance to show just

how great

she is.
