# 1 - A New Aqua Princess

'Akira wait up' yelled a girl behind me, it was Katelin we have been friends for a long time she is late as usual oh well

'How's it going?' I asked her "Fine I'm so tired between homework and dancing I have no time left to be free!" she yelled as she tried to catch up to me

"Well lets try to hang out tomorrow?" I said sympathetically

"Cool" as she walked ahead of me untill I saw a pretty Aqua colored seashell lying their

"Ohhhhhh" I muttered to myself as I picked it up it was a seashell pendant with a pearl inside the while thing was in my favorite color aquamarine I picked it up and looked around to see if anybody had dropped I shrugged and put it on then a big aqua flash came before my eyes and I didn't see anything except for this Gorgeous palace in a glowing aqua color and a mermaid who looked my age and she had the pearl pendant on she looked panicked and a big sea dragon came and attacked the castle and the girl swam to the shore of were I live and she transformed in a girl with short aqua blue hair then two girls with the same pendants walked up to here one was pink and one was green the looked happy then the disappeared into the seas and then a girl with cat ears appeared and attacked them and the transformed into idols and sang a lovely song to scare them away it worked and then they faded away

"WHAT!!!!!!!!!" I yelled and then these two boys walked by and stared at me weirdly

"Uhh hot flash!?" I panicked I was never good with boys the would never ask me out but ohh well let alone did I know that one of the boys was Kaito a popular boy who I didn't care for untill he saw the pendant then he started to talk to me then the school bell rang and I ran so I wouldn't be late ?Look Kaito is starring at you!? whispered Katelin as I rolled my eyes to her ?What ever Katelin you know I think he?s weird? I shot back, here?s the low down Kaito fell in love with this girl she was cute I?ve never seen her before but she sounds cute then she....

# 2 - A Voice

I was thinking I started to see these girls and this evil demon and water girls attacking the girls then I saw this prince who was protecting them he looked like he was in love with the pink mermaid.... Then my vision faded then I felt faint my eyes were probably spinning everyone was looking at me because as Katelin told me

"Your eyes both faded into this aqua color and you stopped breathing then we panicked and then you snapped then you fainted then we called an ambulance" She shivered like no tomorrow.

It's the great what does it mean I'm scared what should I do put it back no I can't it's to pretty then I got an idea since the great looked ancient

"Katelin let's go to the library" I said solemnly

"WHAT?" she huffed then we both walked up to the librarian

"Do you have any books on ancient mermaids?" I asked her Katelin gave me a weird look then she left for the CD

"Let's see" I said "he no no and no" I almost screamed but I remembered my manners

"Hey book!" said Katelin "These girls are so cute!"

she brought me the cd then I realized that was the girls from my vision Katelin seemed I was scared

"Are you okay should I put it back...?" she asked

"No" I said that girl was wearing the same pendant Katelin went of and I was in shock the cd she said Bernard Processes what does that mean I'm confused the pearl is going to be the ruling my life I thought as I started to take it off then

PLEASE DON'T THROW IT AWAY! A voice said "WHAT?!" I whispered loudly "Katelin I'm going outside"

I told her then I said "What do you want from that?" a shiver ran the sky

YOU'RE THE NEW..... as the voice faded away

WILL NEVER FORGIVE YOU IF YOU THROW IT AWAY as the voice faded and never returned that I thought I wasn't she was kind enough to let me keep it but she never finished "You're the new what?" I talked to myself

"You're a what?" asked Kaito coming from behind me I jumped a mile he..... (TO BE CONTINUED)

.(Noted).
