Chapter One: How'd we get here?

Summary: Naruto, Sakura, Sasuke, and Foxx get into the YGO! GX world. Foxx, being a ½ demon and all, tricks the owner of Duel Academe, Seto Kiba, into believe that she's his daughter and that her mother died a long time ago. As posing as Seto's daughter, Foxx Kiba gets into DA as a transfer student along with her teammates....but how long can this last?

Disclaimer thingy yea: I not own YGO! GX or Naruto.

YGO! GX © of Kazuki Takahashi I guess

Foxx Kiba © of Me, MBS! YEA!

It was a normal day in Konoha. The birds were chirping, teams were training and/or getting ready for a new mission, and Kakashi sensei still hadn't arrived at the bridge.

Sakura groaned. "Why does it take Kakashi sensei so long to get here? Why is he always late?"

"Sakura," said the ½ demon, Foxx, "If you can't figure out why, I'm sure that the rest of us can't. Since you're the brains, Sasuke's the strength, and Naruto's the....the.....well, and I'm the one that's.....that's....I don't know. Back up?"

"You play more of a part than 'back up,' Foxx," said the raven haired boy, Sasuke, "You're brains, strength, and stamina put into one."

"Demon possessor. Demon possessor and expert!" said Foxx, ignoring what her teammate said.

But, mean while in a land in another galaxy far, far, far away called the USA, a girl plotted something....something....her style....

"BWAHAHAHAHAHAHAHAHAHAHAHA!" she laughed manically.

"SHUT UP, MBS! I'M TRYING TO WATCH TV!!!" shouted her imaginary friend, Fire.

“YOU SHUT UP! I’m trying to plan something....something....my style.”

“Don’t make the world go splode.”

“Ok...sure....maybe....” She laughed again. “Haha....Cheese muffin. Haha....cheez doodle....haha....bacon...haha....sugar cheese muffin.”

Well, yea....Haha! Sugar cheese muffin...Haha...

Well, back to Konoha.

WWWWWWWWWWWWWWWWWWWWWWWWWWWWWWWWWWWWEEEEEEEEEEEEEEEEEEEE! ^w^

The gray haired sensei finally came and told team 7 (Naruto, Sasuke, Sakura, and Foxx) that....they had the day off.

“The day off?!” yelled the blonde, Naruto.

“Yes. Hokage-sama said so,” said the jonin.

“Why?” asked the pink-nde, Sakura.

“I don’t know. Do whatever you want guys,” said Kakashi, waving to his students as he walked away.

They looked at eachother. Then, something weird happened. They all disappeared. For a second, all they could see was a bright light. Then....sky scrapers.

Foxx stood up and looked around. “Where....are we? How’d we get here?”

Sakura stood up, staring at the huge buildings, “I...don’t know.” Naruto sat gapping. Sasuke just acted like it was nothing, but inside he was all like ‘OMG! WHERE THE HELL?!?! WHAT THE HELL?!?! AHH!’...ok, j/k. Haha. That would be funny, you must admit.

They were on a side walk, and it was night time, so...that was good to. “Hey!” said the burnet, pointing to a billboard with a burnet haired man on it with blue eyes and white trench coat.

His name was at the bottom. Seto Kiba.

“He has my last name,” said Foxx, amazed. “Could he....just....”

“What?” asked Sasuke.

“Heh-heh...I’ve just got an idea. I think he owns something called ‘Duel Academe.’ Now, if I can get into his mind...i can make him believe.....yes. Got it.”

“What?” asked Sakura.

“He now thinks that I’m his daughter and everyone that knows him and works with him and everything thinks the same, and they will know you three as my friends from school and I’ll know everyone related and that know him, for less suspicion. By having the same last name as him, I’ve been able to get into his mind. Now, that he thinks that, I get to get more information on this ‘Duel Academe’ and what it’s about. Tomorrow I’ll inform you. I’ll see if I can get you guys snuck into the house.”

Though freaked out of what their teammate said, they followed her. They came to a big building, the biggest they saw. On it, it said ‘Kiba Corp.’

“I guess I’m going to be a twee bit famous here,” said Foxx, sounding like she was regretting what she just did. She walked up to the door. Two body guards stood there. They nodded their heads and opened the door for her, as they did the same for her friends. When they walked in, they looked around. It was one big room. Foxx nodded to the receptionist.

“Going to see your father, Foxx?” asked the receptionist.

“Yea. I’ve got an appointment with him, right?”

“Yea. Right on time as usual.”

The receptionist smiled and the four of them got onto the elevator.

Foxx pressed the button to the floor her ‘father’ was on (she figured it out). She turned around and looked out the window of the elevator to the city below. She couldn’t make out a lot for some reason.

DING!

The doors opened and the three of them got off. Two other guards stood there. Foxx looked at them.

“Um...may I enter?” she asked.

“No,” answered one of the guards.

“Why?”

“He’s still with his other appointment.”

“Aw...Who is it?”

“Pegasus.”

“Oh...”

Just then, the weird guy named Pegasus opened the door to Foxx’s ‘father’s’ office. He stormed past

Foxx and her friends, and onto the elevator. The ½ demon had her friends stay where they were and she walked in.

“Um...father...what was that about?” she asked, the door closing behind her. Her heart started to race. If this Seto Kiba was in a bad mood, she didn't want to take it. She didn't really know him.

“Nothing. Pegasus still wants DA.”

“Of course.”

~meanwhile, on the other side of the door~

The rest of the genin of team 7 sat, sorta eavesdropping on the conversation.

~back inside the room~

“So...what did you want to talk to me about?” asked Foxx.

“I wanted to give you six duel cards,” answered Seto.

The ½ demon thought, ‘This must be what this ‘Duel Academe’s’ all about. Dueling with cards....hmm....’

“The three Blue Eyes White Dragons, the Blue Eyes Ultimate Dragon, the Blue Eyes Shining Dragon, and the Blue Eyes Tyrant Dragon. I also want you to do something.”

“What, sir?”

“To go to Duel Academe. You and your friends. Get better at Duel Monsters.”

‘Duel Monsters...now I understand,’ thought the ½ demon.

“Ok. But, there's the admission exam, and that's not until another year,” the burnet girl said, not noticing what she just said.

“We'll pretend that you're a transfer. Always works.”

“And why my friends?”

“Well, so you know some people there, at least.”

“Yea...”

“So, will you do it?”

“Yes, sir!” Foxx said, saluting. Her ‘father’ showed a smile.

The girl turned around and started to head out of the room. "OH, and, Foxx...?"

"Yes."

"I don't want you to duel there a lot. You're also going to be placed into Slifer red."

"Ok."

"And, knowing you, you won't have a girl's uniform, but a boy's. Ok?"

"Ok!"

"Your friend, Naruto, will be placed into Slifer red as well. Sakura a Rah yellow. And Sasuke an Obalisc blue."

"Fine."

Foxx walked out the door. She nodded to her friends.

Later...

Seto, Foxx, Sasuke, Sakura, and Naruto waited at the helicopter landing sight. The helicopter came and the three genin of team 7 were off. YAY!

Chapter Two: Duel Academe, school for dueling

The helicopter arrived at a big, huge school. It had smaller buildings surrounding it. Three smaller buildings. One had red, another yellow, and one blue.

Once the helicopter landed and flew off, leaving team 7, they looked around.

“Err...where do we go?” asked the pink head.

“I...think over here. This huge building. That’s where Samejima-san is,” said Foxx.

“Who?” asked the Kyuubi vessel lazily.

“The principal, dude,” she answered.

~~~

They found a room that on the side read ‘Samejima’. “Here it is. Here’s where we get sorted out into a sorta ‘house’ like thing. Slifer, Rah, or Obalisc.” The doors opened (automatic, ja). When they entered the room, they saw two people.

‘Wonder which one’s this Samejima,’ thought the raven-haired boy.

‘Hehe...that guy looks like a girl!’ thought the blonde boy said with a grin. His grin. His annoying grin that he seems to almost have on every fricking episode! >.<

‘Wonder which one I’ll be placed in...’ thought the pink haired girl.

‘So that’s Samejima and the gay looking dude is Cronos de Medici,’ thought the burnet girl.

A man in a maroon coat stood up and held his arms out. A man with blonde hair, pail skin in a blue coat (that looked sorta gay) (just saying) just stood with folded arms.

“Welcome, Foxx-sama!” said the man in maroon.

“Hey, Samejima-san,” the ½ demon said, waving her hand embarrassly (MY WORD).

“Welcome, Foxx-sama’s friends. You must be Sakura, Sasuke, and Naruto. Just as her father described. Welcome to Duel Academe. I’m Samejima, and this is Cronos de Medici.”

The other man lifted up his hand. “Konnichiwa.”

“He’s the head of Obalisc Blue, the highest level of ranking here,” continued Samejima. “Now, Seto Kiba-san must have told you, Foxx, what rankings there are here.”

“Yea. Slifer Red—the lowest—Rah Yellow—medium—and Obalisc Blue, and like you said, the highest. Father also said what ranking we all are in, to save you the trouble.”

“That’s what he told me,” said Samejima with a gleaming smile.

“Sake-san is going to be in Obalisc, Saku-chan is going to be in Rah, and Naru-kan and I will be in Slifer. Just to be safe.”

“Well, I’m sure you’ll like it in the Slifer dorm. Your room, Foxx, is number ni-nyaku-ni-ju-go in the Slifer dorm.

“225..?”

“Right. Naruto, your room number is ni-nyaku-ni-ju-roku in the red-roofed building. Sakura, yours is san-nyaku in the Rah dorm room. Sasuke, yours is go-nyaku-roku-ju in the Obalisc dorm.”

‘Why’d he say ‘the red-roofed building’ for me?’ thought Naruto. (Hmm....I wonder why....0:D)

~~~~~

Foxx and Naruto stepped onto the grass nearest the Slifer dorm.

“Pst...Foxx-chan,” whispered the blonde.

“What now? You’ve been ‘pstring’ at me all the way here,” hissed the Makami and Yakamita vessel back.

“Why’d Samejima say the red roofed building to me and the names of them to everyone else?” asked the Kyuubi vessel in a whisper.

“Err...Oi, there’s some people that may help us out around campus,” Foxx said, trying to get out of the conversation, pointing to the building.

A burnet haired teen boy slide down the railing to the second floor of the Slifer dorm. Following him was a sky-blue haired boy. On walking on the grass, a mid-night black haired teen boy in a black trenchcoat (βcool coat) was walking to an open door—the cafeteria, perhaps?

The burnet boy yelled to the boy in the cool black trenchcoat, “OI! JUN! WAIT UP, DUDE!”

'Jun....' thought the ½ demon looking at the boy with midnight black hair. 'He sorta looks like Sake-kan.'

Jun looked pissed, and turned around. "WHAT NOW, SLACKER?!?!"

'Slacker' got to the bottom of the pole, and jumped off, onto the grass. "Didn't you notice the new people?" he asked, handing his hand out to the ½ demon and blonde boy. He walked over to them, "Oi! I'm Judai Yuki, who are you two?"

"I'm Foxx Kiba, and this is my friend, Naruto Uzumaki. We're transfers," Foxx answered for the both of them. Naruto looked at her pissed off, but didn't want to punch her—I mean, she is a girl.

"Transfers? From where?"

"South Academe."

"Cool. Oh, this is my bud, Sho Marufuji. His brother is the best in Obalisc."

Sho came running up and almost tripped when he stopped.

"Nice specs," said the burnet girl happily. The sky-blue hair kid blushed. "So you're Ryo's bro, huh? That must be a lot on your shoulders."

"How do you know my brother if your transfers?" asked Sho.

"Didn't chu know? South and every other academe for duel monsters knows him," answered Naruto.

The ½ demon looked at the blonde boy strange for a second and looked back to see Jun walking up.

"OI! JUN!" said happily Judai to Jun.

"Get out of my face, Slifer Slacker," the midnight black haired boy replied. "Konnichiwa. I'm Jun Manjoume. Who are you two?"

"I'M NARUTO UZUMAKI!!" yelled Naruto merrily. Jun rolled his grey coloured eyes.

'Great...another Slifer slacker,' he thought.

"And you?" he said a little harsh to the burnet girl.

"I'm Foxx Kiba. I'm sorry for this dobe's behavior," she replied, bowing.

"Foxx Kiba? Is your father Seto Kiba?" asked Jun.

"Yes. Why?" asked Foxx.

"Why are you in Slifer instead of Obalisc."

“Ever hear of ‘expect the unexpected’?”

“Yes. Why?”

“Expect it.”

~Meanwhile at the Obalisc Dorm~

The Uchiha heir walked down the hall, girls googling him as he walked, looking at the floor. He bumped into someone.

“Sorry,” he said, maneuvering around the person.

“No, I’m sorry, I wasn’t watching where I was going,” answered the person. Sasuke looked up from the floor. The man in front of him had an Obalisc uniform, but by the look of it, it was a different year. His hair was a dark blue-green. Behind him was a girl with a girl’s Obalisc uniform and golden-blond hair. She was smiling nervously. “You’re new aren’t you?”

“Yes. I’m Sasuke Uchiha. Who are you two?”

“Ryo Marufuji.”

“Asuka Tenjouin,” said the girl.

Sasuke nodded at their presence and walked around.

‘Why were his eyes red....?’ questioned the golden-blond girl in her head.

‘Heh-heh....Ryo Marufuji....we’ll duel your way,’ thought Sasuke, laughing evilly in his mind. (MBS: OI! HE STOLE THAT FROM ME!!)

~Meanwhile at the Rah Dorm~

Sakura walked down the shiny (MBS: shiiiiiiiiinnny niuuuuuuice) hallway (MBS: nevermind) staring at it. She looked up, in time to halt and delay a crash.

A boy with light-ish black (real colour) (it’s just like pi—ahem—light-ish red except light-ish black) hair and a boy’s Rah uniform stood in front of her, millimeters or something-meters away.

~

MBS note: MBS don’t know metrics much so, deal with it when she say one rong. Comment if she did cause she don’t know. I mean, she talk in third person now!....badly. -_-’

~

"I'm s-sorry, anata. I-I'm new here, and I was just admiring how beautiful this school is," stuttered Sakura.

"That's yoroshii. I realize that it could be tantalizing, being new and all. I remember being that way myself, once," answered the boy in a sorta British tone. "What's your name?"

"Sakura Haruno, and who's asking?" she asked.

"I'm Daichi Misawa. May I show you around the school after you look at your dorm?"

"I just saw it and I was actually looking for someone to do that. I've got some friends here too."

"In Rah?"

"No. Two in Slifer and one in Obalisc. We're all transfers."

"From what school?"

"South."

"Ah.."

Daichi and Sakura walked to the end of the hallway and went out the building.

~meanwhile back at Slifer~

"So, do you need to be shown around?" joked Jun to Foxx.

"Na—hei. Though father owns here, doesn't mean I don't know which buildings are which. I saw a small thing of it, not a big thing. So this is different."

Chazz rolled his eyes.

The two 'Slifer Slackers' yelled out playfully, "YOU CAN'T ROLL YOUR EYES AT SETO KIBA'S DAUGHTER!"

The ½ demon sighed, "And Seto Kiba's daughter doesn't need some people to yell for her. She's very capable of doing that herself."

Naruto's blue eyes landed on Foxx's onyx, "Why are you talking in third person?"

"Foxx can and Foxx does when she feel like it and/or feel angry." Naruto flinched. The burnet girl turned to the midnight black haired boy and said back in normal tone, "So, are you going to show Naruto and I around, or what?"

"I guess. Fallow me," said the Jun coolly.

“Fine with me. Coming, Naruto-san?”

“H-hei,” the blonde boy respond, still scared. Naruto followed Sho, Judai, Jun, and Foxx on this small tour.
