You took My hand

You showed me How

Foxx smiled as she stared at Iteco. He was holding her hand as he walked her to the Academy of Hanma. She looked away as she blushed lightly, thinking they looked like a couple, though Ty would never let that happen.

“Ite-kun?” she asked, finally looking up.

“Hm?” he mumbled in reply.

“Do you think I'll ever be a shinobi like you, Ite-kun?”

You promised me you'd be around
Uh huh
That's right

Iteco smiled and looked at her. "Why of course."

"And that you'll always be here?"

"...sure....I'll be here forever...and ever...."

I took your words
And I believed
In everything
You said to me
Yeah huh
That's right

"Foxx," Mari Kimi, a school bully, came up to her with her hands on her hips. The young hanma looked up boredly from her book she was reading slowly for fun.

"What do you want, Mari-san?" asked Foxx, not understanding that Kimi was going to insult her.

"I can't BELIEVE Iteco-san would hang out with YOU."

"Ite-kun and I are best friends. He and I are closer than you and your friends. We'll always be that way."

"Tch. Yeah right. I bet you anything...if in 3 years, in not a few months from now.....you two will hate eachother. Iteco and you are exact opposites! You're a monster, while he's perfect in any possible way."

Foxx shut her book hard and slammed it on the desk.

If someone said three years from now
You'd be long gone
I'd stand up and punch them out
Cause they're all wrong
I know better
Cause you said forever
And ever
Who knew?

"AH! KIMI-CHAN!" other students screamed as they saw their friend slam into the wall and cough up a bunch of blood. They all looked in the direction of which she came from....Foxx was standing there cracking her fists.

"Ite-kun and I will be friends til the end. He said forever and ever....Kimi....you don't know a THING about Ite-kun and my relationship!" The teacher came in then and saw Foxx getting ready to punch Kimi

again. He appeared behind her and held her back from attacking.

“FOXX! SETTLE DOWN! WHAT'S GOTTEN INTO YOU?! DO YOU WANT ME TO GET ELDER-SAMA DOWN HERE?!” he scolded her. She growled and foam came out of her mouth.

“Ew! The beast is rabid!” she heard someone scream sarcastically. Anger rushed through her veins. Iteco appeared in front of her.

“Foxx, calm down,” he said. She blinked, all the anger rushing away. She blushed and didn't look up at him. She shyly looked away.

“I'm sorry, Ite-kun.”

“Iteco, take Foxx to Elder-sama. She's suspended...again....until she can control her actions once again,” the teacher ordered.

“Bu-but, Alem-sensei. I promise she won't do it. I know she won't. I know her better than anyone.”

“Yes, sir.” Foxx leaned around Iteco and said to Kimi, “G-gomen, M-Mari-chan.”

“Get out of here, you demon!” one of Kimi's friends shouted. Foxx winced at the last word. It stung her.

Iteco looked down at her and sighed. “Alright, Alem....I'll take her to Elder-sama. We'll make sure she'll behave better once she returns. Promise. C'mon, Foxx.”

“She'd better, Iteco, or you know she won't be allowed here anymore.”

“Then you'll be the monster now, wouldn't you?” he snickered. Alem rolled his eyes.

“Get her out of my sight. We have classwork to do.”

“Right.” Foxx walked away slowly with Iteco by her side. Iteco glanced at the Kimi before the two of them left. He smirked evilly, no one seeing it, though.

'That's great to see,' he chuckled mentally, 'I know now that I'll keep Foxx alive...until she grows to be a nuisance.'

~Outside~

“Hey, Foxx-san, look at it on the bright side...now that you're not stuck in that crappy school for a while, you and I get to hang out longer. Kira-san could join us to.”

Foxx smiled shyly, “Really, Ite-kun?”

“Yeah. And if you never return there, hell. I'll teach you to be a shinobi!”

Remember when we were such fools

And so convinced and just too cool

Foxx didn't answer. She looked down at the ground and kicked a rock out of her way.

"Something wrong, Foxx-san?" asked Iteco.

"...Ite-kun? How come everyone calls me a 'monster' or 'beast' or 'demon' or 'devil' or--"

"Don't listen to them."

"B-but, you heard them today, didn't you? They call me those things every day. It hurts...."

"Ignore it. No matter what people call you, remember that you're better than them. You're cooler than them. Cause you have Makami-sama, you don't have rules and such strict curfews like some kids, you're trained by Elder-sama, you got a twin sister whose awesome than any of their asses want to be, you also got Ty, whose a pain in the @\$@ sometimes, but never the less the greatest elder sibling in the village, and....you got me." Foxx looked to where his voice was coming from, to find his face inches from hers. She instantly blushed a bright red and stopped breathing properly. "Heh-heh...." He straightened up and leaned away from Foxx's face. She sighed heavily, suddenly remembering how to breath.

"Ite-kun?"

"Hmm....?"

"You'll be here forever right....? You and I will always be friends, right?"

Iteco laughed a bit before responding, "You asked me that this morning. Of course I will." Foxx smiled and looked away again.

(this isn't part of the song) 7 Years Later (this isn't part of the song)

Oh no

No no

Foxx glared at Iteco. "ITE-KUN!" she shouted angrily, "TODAY I'LL KILL YOU! I'LL TAKE REVENGE FOR ALL THE INNOCENT LIVES YOU HAVE KILLED! I SWEAR NOT TO HOLD BACK ANYTHING!"

I wish I could touch you again

That was just talk. Inside, her soul was hurting with every hit she threw, every kunai that she tried to stab her ex-friend with nailed her in the heart, every jutsu messed with her memories. The battle she was forced into wasn't helping her. Her brain still registered Iteco as her friend.

I wish I could still call you friend

She didn't want to call him that, though. That would show that she was weak. She wasn't weak.

I'd give anything

(not part of the song) 3 weeks later (not part of the song)

The hanma pulled her knees closer to her chest as she sat in her room. Sasuke came down the stairs with a bowl of miso soup.

“Hey, Foxx-san, I thought I could—hm....?” the Uchiha noticed her sitting on her floor, not really responding to him. “You ok....? Are you going to cry?”

When someone said count your blessings now

Sasuke put a hand on her shoulder. She still didn't respond.

'fore they're long gone

A liquid emotion fell from her eyes. 'I bet you anything...if in 3 years, if not a few months from now...you two will hate eachother,' Kimi's words flew around Foxx's head, stinging and burning her mentally. She buried her head deeper in to her knees.

“Foxx-san, you're starting to scare me....you've been acting like this ever since the chuunin exams....are you alright? You haven't moved from this spot at all....you haven't eaten, trained with the team, you skipped many missions, and you won't speak to me....are you alright?”

“Why....?” she sighed. Sasuke put his hand on her back. “Why....why was I supposed....supposedto kill him?!” Sasuke stared blankly at her.

“Foxx....”

I guess I just didn't know how
I was all wrong
They knew better

“Mari-chan was right....we'd never make it past three years!”

Sasuke looked away for a moment then looked back at her moved to her side and sat there.

'Of course I'll be here forever,' Iteco's voice echoed threw the hanma's head, 'Where else would I go?'

Still you said forever
And ever
Who knew

(not part of the song) 3 years later (not part of the song)

Yeah Yeah

Foxx grabbed her bleeding arm and turned to the cliff she just fell off of. Her eyes hastily searched for the thing chasing her, failing with every passing second.

I'll keep you locked in my head

“Looking for me?” a voice from behind her said. It sounded so familiar.

Until we meet again

“N-no way,” she gasped.

Until we meet again

A name she hadn't said in a long time slipped out of her mouth, “Iteco.....!”
