~*? PREFACE ?*~

Teeth lashed at his neck. Claws lashed at his torso. Blood landed a long the walls. My face feels hot. So hot. I can hardly breath. I can't feel my legs. Have I fallen to the ground? Or am I still standing? I can't tell.....my tears are burning my eyes. Why won't they stop? Can't they hear me shouting for them to stop? Wait.....I can't hear my self.....I can't hear myself yelling. All I can hear is my heart beat.....why is it starting to slow?

A cold hand is on my back, holding me up from the ground. I guess I haven't fallen to the ground yet. I hear Luci yelling angerly at Markus. I can't understand what he's saying. My body's burning. Really badly. Markus is laughing evilly, but its slowing. Why am I in pain?

Is this hell.....?
