**Chapter 1 - horses crazy**

**2**

## 1 - horses crazy

I love horses don't you.

Sometime my cousin call me horse crazy.

But sometime horses are crazy,sometime they can be funny and sometime they can be pain in the neck.

I sometime think of the horse color like chocolate brown,white as snow,black as the night.

Sometime in my mind that I want to be with horses don't you.

Horses are beautiful animals don't you think?

I sometime I wish in my mind that horses should be free in the wild where they belong
