1 - just in case

Just in case you did not know
I am in pain for I love you so
You seem so far, I want you near
My heart longs to have you here.

Give me strength, give me love
Let us fit like hand to glove
Let us share all our days
Showing our love in different ways.

Touch your lip, do not speak
Lay a kiss upon my cheek
Let our souls become as one
Until another day's began.

Never utter a slow goodbye
My heart to ache, a tear to cry
A chance of love to destroy my soul
I play the part, I will take the toll.

Pry my heart, rip the seal
Unable to hide the things I feel
I wrote this poem just for you
To tell you that my love is true.
