1 - Chapter One

Yu-Gi-Oh fic! Woot.

In it, I get warped to a weird world ruled by *insert dramatic organ chords here* Seto Kaiba. So, naturally, I have to duel my way out. *laugh* this ought to be fun. Oh, and be sure to keep an eye on my cards. Some of them are actually cards that I have in my deck (i.e. Dark Magician, Dark Magician Girl, Vampire Lord, Dark Paladin, etc.) but others are anime/video game chara: (i.e. Witch Hunter-Robin, Witch Hunter-Amon, Phantom Shadow Beast Bongo Bongo, Dragon King Bahamut, Faust VIII, etc.)

I don't own: Yu-Gi-Oh, Witch Hunter Robin, Shaman King, Final Fantasy anything, or anything associated with The Legend of Zelda. I do own me, so there!

Okay, disclaimer thing out of the way, so enjoy this!

Adventures in Dueling:

Chapter One: Enter Anthony.

"Ouch!" Anthony shouted, as he hit hard ground. He looked around, saw that he was in a barren wasteland, and did the first thing that any otaku would do: He tried to identify his location.

"Hmm. I'd say that this would be-the virtual world on Yu-Gi-Oh." Anthony said. "Oh, look, my deck." He picked up the tin that he kept his cards in, and opened it. "Yep, it's all he-what the?"

For Anthony had just looked through his deck, and right in between Headless Knight and Monster Reborn, there was a card that he was pretty sure couldn't exist due to copyright laws.

"Dragon King Bahamut." He said, examining this strange ripoff. "A level eight, Dragon-effect, dark, 3100, 2900. This monster can attack all monsters on your opponent's side of the field if you offer one Dragon monster as Tribute. You can't attack your opponent directly if you use this effect." He shrugged, and continued through his deck, until he hit another odd card. "Witch Hunter-Amon. Level six, 2400, 1700, warrior-effect, kills off opponent's spellcasters. That's a shocker. Hmm, wonder if I got Robin too?"

However, before Anthony could check if there was in fact a Witch Hunter-Robin card, something distracted him.

"You there!" a mechanical voice shouted. "The one with the weird clothes and the pulse."

“Huh?” Anthony asked, looking up. “Holy moly!” he exclaimed.

“You have to duel me!” Jinzo ordered.

“Why?” Anthony asked.

“Because it's in the script!” Jinzo screamed. “Now pick your Deck master and duel me, asshole!” he shouted.

“You could have just asked.” Anthony said. *What a jerk.*

“I'll be my deck master.” Jinzo said. “Who's yours?”

Anthony pulled out his deck, did a brief search, and held up a card. “I'll pick the Dark Magician Girl.” He said.

Dark Magician Girl appeared in a flash of sparkles and opened her mouth.

“I know what you do.” Anthony whispered. “I saw the show.”

“I was just going to suggest that you fix your shirt.” DMG said.

“Oh.”

After a quick fix, Anthony and Jinzo faced each other. Somehow, Anthony had gotten a duel disk.

“I play Injection Fairy Lilly in attack mode.” Jinzo said. “And I'll end my turn.”

Anthony drew a card. *Cool, I've got Robin too.* “I summon Witch Hunter-Robin in attack mode.” “Her effect lets me destroy one spellcaster on the field, so I'll destroy Lilly without the annoying effect.” Injection Fairy Lilly screamed as she was graphically incinerated in a burst of flame. “And then Robin attacks you directly for 1500 life points.” Jinzo swore violently as his life points were reduced to 2500. “Then I'll play two cards face-down and end my turn.”

“I set one monster in defense mode.” Jinzo said. “Then I use Monster Reborn to bring back Lilly. Now attack his Witch Hunter directly!” he ordered.

“Activate magic card: Boneyard Crush!” Anthony barked. “I discard a zombie monster from my hand, and I destroy all of your cards in play. So, I'll discard Eliza from my hand.”

A dead blonde nurse in a pink uniform appeared in front of Robin, and then a wave of skeletons of all shapes, sizes, and species appeared and destroyed Lilly and the face-down Dreamsprite.

“And since Eliza was sent to the graveyard in the same turn that two other monsters were destroyed, I can special summon her from the graveyard, and special summon Faust VIII from my deck.” Anthony

said. *Man, my deck is ripping off everything. Wonder when Bongo Bongo shows up?*

Jinzo swore more violently. "I play Dark Hole, and destroy all of your monsters!" he said. A big black hole appeared, sucking Eliza, Robin, and Faust into it. "And I end my turn."

Anthony drew a card. "I use my Deck Master's special ability. I can draw one card for every monster in my graveyard." He said, drawing three cards. "Then I move her onto the field, play my Mystic Plasma Zone and equip her with Black Pendant. Now attack Jinzo directly with Dark Magical Blaze!"

Jinzo swore with such fury that he nearly deflected DMG's attack, but in a predictable plot twist that I'm sure no one saw coming, he was defeated.

"Fine, you win, you get to go on." Jinzo growled. "But I will have my revenge, as promised by my script!" he said.

"Nope." DMG said. "I destroyed your script!" she struck a cute pose.

Jinzo screamed like a little baby, as he exploded in a cloud of dryer lint.

"Weird." Anthony and DMG said. "He's just fluff."

Okay, so in a `twist' that I'll bet every single one of you saw coming, I won. But you'll never guess my next opponent! Its **dramatic chords** REX!

Bongo: No it's not. It's Yugi.

Anthony: Oh, yeah, I forgot. Rex can't duel. **laugh**

Rex: Gah! Why is it that a dead man can beat me?

Tolstoy: Uh, cause you suck?

Rex: Whatever. I'm going to go find Basil and f-

Anthony: Eh hem. Language.

Well, did you like it? COMMENT EVEN IF YOU DIDN'T! BLAH! Sorry, it's just that I'm sick with a cold.

2 - Chapter 2

Hello!

Chapter two of Adventures in Dueling is here, and God help us all. *laughs* In this chapter, I duel Yugi Motech, and because I'm the main character, I KICK HIS SCRAWNY BEHIND.

Bongo: Odd, I thought Yugi always won

Anthony: Normally, yes, but in this case, he's just opposition, which means that unless I have to teach him a valuable life lesson, or whatever, he's toast!

Robin: Dani is probably going to want that Faust card when you're done...

Anthony: Yeah, probably. Thank God there's no Koga.

Kikyo: Do I have a card?

Anthony: I think so...*unsure of this* I'll probably just write one in if I need to.

Kikyo: Very well then *goes on her merry way*

Faust: I'll want that Eliza card when you're done.

Anthony: Will Dandan let you have it?

Faust: *sniffle* no.

Dani: That's right! *Taps Faust on the head with a rolled up newspaper* Bad Faust!

Anthony, Bahamut, Bongo, and Robin: O.O;

Uh, yeah...all in favor of getting this fic on the road: raise your hand. *everyone raises their hand*

Disclaimer Lv 5: I don't own Yu-Gi-Oh, Shaman King*sniffle*, Witch Hunter Robin*sniffle*, The Legend of Zelda*sniffle*, Final Fantasy You-name-it*sniffle*, Inu Yasha*sniffle*, Gundam Seed*sniff*, or Dani. I do own me, which is a relief!

Adventures in Dueling

Chapter Two: Shall we bash Yugi?

After defeating Jinzo, Anthony started to wander around, looking for a map.

"This place is huge!" He exclaimed. "Wonder who I'm supposed to duel next?"

"Me!" A midget with hair that defies the laws of physics jumped down.

"Yugi Motoh?" Anthony asked.

"In the flesh." Yugi replied. "Now duel me!"

"Wait, where's Yami?" Anthony asked, looking around. "I thought he always duels for you."

"You have to duel me!" Yugi said. "Just me! No Yami!" He held out his duel disk. "I choose Dark Magician as my Deck Master." DM appeared and posed in a macho magician fashion.

Anthony looked through his deck. "I choose Witch Hunter-Robin." He said. Robin appeared, and put her glasses on.

Yugi and Anthony stood on a dramatic landscape, facing each other, fire in their eyes-

-Robin: Huh? I thought that was me.

-Anthony: Yeah, you're right, but it makes a good line.

-Bongo: Actually, I'm the one with fire in the eye.

"I'll start!" Yugi said. "I summon Big Shield Garuda in defense mode, and set two cards face-down."

"I'll summon Wallmaster in attack mode." Anthony said. "Its effect lets me return one monster on the field to the bottom of its owner's Deck, so there goes Garuda."

-Bongo: You just made that up

-Anthony: Shut up. This is my fan-fic ^_^v

-Bongo: That's a really dumb face.

-Anthony: I know....oh yeah, if anyone cares, Wallmaster is a level three beast/effect, dark, 1000 attack, 2000 defense, and I just said what it does.

"Then Wallmaster attacks you directly for a thousand points." Anthony said. Yugi screamed like a little baby as Wallmaster slapped him in the face. "And then I set three cards face-down and end my turn."

"I move Dark Magician onto the field and attack your Wallmaster!" Yugi screamed.

"Activate Draining Shield. It negates your attack and increases my Life Points by your monster's attack." Anthony said.

Yugi pouted. "Activate Mystic Box!" Wallmaster and Dark Magician were sealed in boxes.

"Activate Spell Shield Type-8. Since it targets my Wallmaster, I negate it!" Wallmaster and Dark Magician were no longer sealed in boxes.

"I equip Wallmaster with Ekibyō Drakmord!" Yugi screeched.

"I use Mystical Space Typhoon to destroy it." Anthony countered.

"I end my turn." Yugi said.

"I use Polymerization to fuse Wallmaster with my Relinquished to create Phantom Shadow Beast Bongo Bongo." Anthony said.

-Anthony: Just so you all know, Bongo Bongo is level nine, fiend/fusion/effect, dark, 3200 3000, and his effect lets me special summon one level four or lower monster from my deck during my standby phase. He also looks wicked cool.

-Bongo: Aw, thanks.

Yugi screamed as Bongo Bongo looked at him. "He's the one boss I could never beat! I needed Joey to do it for me!" Yugi exclaimed.

"Bongo Bongo destroys the Dark Magician, and does seven hundred points of damage." Anthony said. "Since he's your Deck Master, you lose this duel."

Yugi screamed and exploded in a cloud of cotton wool.

-Robin: *picks cotton wool out of her hair* First dryer lint, and now this?

-Bahamut: What's next?

-Anthony: Whipped cream.

-Bongo: That's both disturbing and tasty.

-Anthony: Isn't it?

"This is really easy." Anthony muttered. "My brother is harder to beat than these guys." He looked around, and spotted a large neon sign pointing to a doorway in the middle of the landscape. "Oh, that's not too suspicious." He said. "Ah well, let's go!"

Anthony: Just so you know, there's going to be commentary throughout this story, as indicated by a double indent and a dash.

Bongo: Yep! We're going to blab all through this!

Well, thanks for reading! Join us next time for more Adventures in Dueling!

3 - Chapter 3

Hallo!

Behold, it's the third chapter of Adventures in Dueling! In this one, I face the dreaded.....TEA GARDNER!

Bongo: Why her?

Anthony: Oh, all of the Rare Hunters are out for the count. I kind of wanted to duel Umbra, but you know, he's kind of stuck in the Shadow Realm...anyway, let's get going!

I don't own the rights to any Yu-Gi-Oh! card that appears in this story. I do have most of the real cards that I play, and I'm working on making the fake ones. Thank you, Photoshop! *kidding*

Okay, story time. But first: A disclaimer!

Dark Magical Disclaimer: I don't own Yu-Gi-Oh!, I don't own Witch Hunter Robin, I don't own Shaman King, or the rights to any Final Fantasy game, or InuYasha. *chuckles* I'm going to bring Menomaru into the next chapter.

Bongo: Hey, your deck is taking the Yugi route.

Anthony: In the sense that it's a Dark Magician deck, or in the sense that I pull new cards out of my backside whenever I need them.

Dark Paladin: *appears from nowhere.* Both! *laughs*

Anthony: *starts* Hey, where'd you come from?

Dark Paladin: Well, first Dark Magician and Buster Blader got together, and did something with each other, and then after a while, they had me. I'd rather not go into detail...<^_^

Anthony: Okay....officially weirded out here. Male pregnancy...very odd.

Dark Paladin: Yeah. I got teased all through school because I had two dads. But Saint Joan never got that! And she's got two moms! Same with Musician King! And Empress Knight! Oh, and what about Sanwitch? That thing's father is a DUST BUNNY! Or the Thousand Eyes Restrict? No one even knows what GENDER IT'S PARENTS ARE! *continues ranting in a hyper fashion.*

Anthony: *checks mental Yu-Gi-Oh! database* Uh, I think there was some mention of Relinquished being male, but that's just me...anyway *Points at Dark Paladin* Eliza! Tranquilize! (Haha, you were expecting me to say `Euthanasia!')

Eliza: *sigh* you could just ask. *gives Dark Paladin a tranquilizer*

Dark Paladin: Ow!*tranquil* I'm calm! I'm calm! I'm going to go and kill dragons with Dad.

Anthony, Bongo, Robin, Bahamut, and Eliza: Which one?

Dark Paladin: Damn you all! *disappears*

Uh, before further weirdness can ensue, let's just start the chapter...

Adventures in Dueling: Chapter 3.

"Oh, crap." Anthony muttered. "I'm in that ice place." He sighed. "Where's the evil penguin?"

"You have to duel me!" A perky female in a short skirt exclaimed.

"You?" Anthony asked. "Tea Gardner? I already beat Yugi, so that Sage's Stone is useless."

Tea made a fist. "YOU DEFEATED YUGI?" she screamed, her hair changing color. "I will show you the joy of transcendent bliss!" she shouted, levitating in the air.

"Uh, this isn't Ceres." Anthony said. "You can't do that."

Tea pouted, descending to the ground. "Just duel me." She said. "I choose Dark Magician Girl as my deck master."

"Uh, I pick Faust VIII." Anthony said. As Faust appeared, Anthony leaned over. "What do you do?" he asked.

Faust smiled his creepy smile. "I let you special summon Zombie monsters from your Deck instead of summoning a monster." He said. "But you have to discard one card to do it."

Anthony rubbed his hands together. "Most excellent." He said. "And you give zombies an extra five-hundred attack points when you're on the field, right?"

Faust nodded.

"Hmm, this could be fun." Anthony said.

"STOP TALKING WITH YOUR DECK MASTER!" Tea screamed. Anthony and Faust fell over.

"Geez, did someone not take her meds today?" Anthony asked. Faust mumbled something about

writing a prescription for that psycho dog.

"I summon Maha Vailo in attack mode!" Tea said. Maha Vailo appeared in a flash of sparkles. "Go!"

"I activate Faust's effect." Anthony said. "I discard the Dark Magician Girl from my hand to summon Vampire Lord from my Deck. Then I play Monster Reborn to bring back Dark Magician Girl." He said. "Vampire Lord attacks Maha Vailo! Now send a monster card from your deck to your Graveyard" Anthony said.

A flock of bats destroyed Maha Vailo. Tea pouted. "I pick Despair from the Dark!" she said.

"Holy hell!" Anthony exclaimed. "Where'd you get that?" he demanded, as Despair from the Dark appeared on the field in all his gaseous blue glory.

-Robin: For those of you who don't know why Despair from the Dark was played, it's because when Despair from the Dark is sent from your hand or Deck to the graveyard, it special summons. It's a level eight dark zombie-effect, with twenty-eight hundred attack points and three-thousand defense points. Also, Tea is now at 3550.

-Anthony: Why thank you, Robin.

"I've always had my cute little Despair from the Dark in there." Tea said. "Are you done?"

"I play one card face down." Anthony said. "Go."

Tea drew a card. "I set a defense monster, and Despair from the Dark attacks Dark Magician Girl!"

"Activate Waboku." Anthony said. Three nuns with keys appeared, and blocked Despair from the Dark's attack.

"Go." Tea said cutely.

"I discard Dark Magician from my hand to special summon The Patrician of Darkness from my Deck." Anthony said. "And I set a defense monster. Now Dark Magician Girl attacks your face-down card!"

"Man-Eater Bug." Tea said. "Buh-bye Vampire Lord." She said, waving. Man-Eater Bug jumped onto Vampire Lord, and ate him.

"Go." Anthony said. *Sheesh, is this Tea or Bakura?* He asked himself.

"Despair from the Dark attacks the Patrician of Darkness!" Tea said.

"Nope, he attacks my face-down card." Anthony said. "That's his effect. So useful, doncha think?"

-Bahamut: the Patrician of Darkness actually does do that. He lets you pick the target of your opponent's attack.

"And," Anthony continued. "You just attacked my Old Vindictive Magician, who destroys your Despair

from the Dark!”

-Bongo: Old Vindictive Magician has the same effect, level, and attack and defense points as Man-Eater Bug, but he's a dark spellcaster.

“That wasn't nice!” Tea exclaimed, as Old Vindictive Magician used some sort of weird magic to destroy Despair from the Dark, right before the old coot himself was destroyed. “I set a card and end my turn.”

“Yeah, yeah, suck it up.” Anthony said. “My turn.” He drew. “Since Vampire Lord was destroyed because of an opponent's effect, he comes back.” Vampire Lord's coffin appeared, and he popped out of it. “Then, I discard Horn of the Unicorn from my hand to summon Eliza from my Deck, and move Faust VIII onto the field.”

-Bahamut: For all of you who are interested, Faust VIII is level 7, spellcaster/effect, dark, 2800, 2000, and he increases the attack of all zombie monsters by 500. Eliza is a level 6, zombie/effect, 2400 2200, and when she's sent to the graveyard at the same time as two other monsters, she comes back from the graveyard, and you can special summon Faust from your deck.

“You think that a schoolgirl in a pink dress scares me?” Tea asked. “Activate my face-down Call of the Haunted, to bring Despair from the Dark back from my Graveyard!” Despair from the Dark appeared, in his full blue glory. “In defense mode!”

“Great.” Anthony muttered. “Even with the bonus from Faust, none of my monsters are strong enough to destroy it. I set two cards face-down, and end my turn.”

Tea drew. “I change Despair from the Dark into attack position, and equip it with Violet Crystal.” She said. “Now attack Faust!”

“Chain: Activate Boneyard Crush.” Anthony said. “I discard Pyramid Turtle from my hand to destroy Despair from the Dark, and negate its attack!” (You already saw this scene in the first chapter, so just imagine it with a turtle that has a pyramid on its back, as opposed to Eliza.)

“I end my turn.” Tea said.

“I attack you directly with all of my monsters!” Anthony said.

“No you don't.” Tea said. “I discard Kuriboh from my hand, and reduce all damage that I take during this turn to 0.” Thousands of furry puffballs appeared in front of Tea.

“I activate my face-down Tree of Ages, to negate Kuriboh's effect.” Anthony said, flipping over the card. The Kuribohs were swatted away by gnarled branches and exploded in clouds of fluff, and the various attacks hit Tea directly.

“NOOOOOO!” Tea screamed, right before she exploded in a shower of whipped cream.

-Bongo: *Wipes whipped cream off of his shield* Good thing I brought my blast shield.

“And we're done.” Anthony said, as his cards disappeared. “Okay, who's next?” He looked around.

“Me!” Serenity Wheeler said.

Bongo: You're just ending this chapter like that?

Anthony: Heheh...<^_^ yeah, sorry.

Bongo: Just make sure you end the next duel soon!

Anthony: Why? You know what's going to happen.

Bongo: Yeah, but it's more fun, because then I can say `ha! I knew that was going to happen!'

Well, thanks for reading! Tune in next time for more *bah bah bah* ADVENTURES IN DUELING!
