1 - Outtakes a plenty

The Shaman King outtakes they can't show you: Not even in the uncensored version. Why? CAUSE THEY DON'T EXIST!

When Yoh goes to cut off Rio's hair, his sword shatters because of the hair products in it.

Faust pulls of his coat to reveal a sparkling red evening gown. Later, a skeleton starts to play the piano and he sings 'Cabaret'.

Len's uncle farts after he sits on Rio. Rio is never the same again.

En makes Lee Pailong perform 'The Dance of the Sugarplum Fairy' after he beats Len up.

Boneyard Crush is actually a Broadway musical number that is performed by skeletons.

Yoh's conversations with Anna are accompanied by dramatic music.

En's home movies are accidentally replaced with 'Adult Movies'. (And I don't mean period dramas)

Eliza runs away with Lee Pailong, after using up all Faust's furioku in the divorce.

Faust then starts courting Jun, who kills him and makes him her new guardian hunter spirit. Why? Cause she's MINE! Stay away from my Jun

That's all I can think of. If you feel like it, send me some ideas. (Note: I'm probably going to draw a few. Tell me what you want me to draw, and I'll tally up the votes. (You can only pick 2 of them.) Also, I'll take requests. Think of something funny.
