1 - Meeting

The Teen Titans are a group of five singular teenagers. They rescue the people from the villains, monsters, etc. The leader of the group is Robin. The second one is Starfire. The third is Raven, Cyborg and Beast Boy. They live in a giant T on an island, next to the city.

This day has been very boring because there are no crimes to solve, no robberies to stop and no villains to fight. Cy and BB are playing their usually videogame and arguing with each other. Raven is in the main room too, reading and meditating. Robin is watching his friends playing. Starfire is in her room, sleeping because the last night they had to be awakened to find a robber who escaped from the jail.

She was in her bed dreaming about her friends.

-----Star's dream-----

They were at the park playing soccer. She was sitting under a tree, she seems sad. Then, in the middle of the game, Robin saw her.

Robin -Star, want to play?

Star -Sure

But when she sat up, the whole world came black, leaving her alone

Star - Is anyone there?

Voice -Yes I am

Star-Who are you?

Voice-That's not important

Star-What do you want from me?

Voice-Ohh nothing..just you

Star-Why?What do you want?Who are you?

Then a shadow with a form of a person came from the nothing and threw her onto the floor. The shadow had something. It threw it with force to her.

Star-What AAAHHH!!!

She woke up, she was sweating. She looked around her room to see if there was any person there. There wasn't.

~.With the Titans.~

They were doing their usual things but then they heard a scream.

Star-AAAHHH!!!

BB-What was that?

Robin-It was Starfire!

They all started running in the hallway. Then, they arrived at Star's room. Robin opened the door.

Robin-Star what happened?

Star-I...had a nightmare" (Sitting up)

Cy-And what was it about?

Star-Well.. I was with you in the park and then all the world came black and a strange person said me that it wants someone. It looked like a girl, and then she threw me something.

Raven-Oh..weird. I think we're going to leave you alone. (taking BB and Cy out. Robin stood there looking at her, concerned. She was looking down at her bed)

Robin-Star, are you ok?

Star-Yes, everything is fine. Why are you asking me this question?

Robin-Because you were acting like this some time ago. There's something bothering you?

Star-I..i don't know

Robin-Well remember that I'm here if you want to tell me anything, ok?

Star-Ok (giving to him a sad smile). He left her room, leaving her alone.

Star-If I can tell him my feelings about me, why I can't tell him my feelings about him? Starfire thought to herself.

One hour later the alarm went off and they watched the giant computer screen with a little red spot.

Robin-Report!.He said that entering in the main room

Cy-We have a trouble in the center

BB-Who is now? (Looking tired.)

Cy-Cinderblock

Robin-Titans go!

Five minutes later they arrived to the center.

Raven-Where's the problem?

They looked in the direction of Cinderblock, but when they saw him he was very weakly and hurt,getting out of an alley.

BB-I think that we missed something

Then a white bolt came from the alley and knocked out Cinderblock.They were with eyes widened and open mouths.A girl with white mini skirt of pleats,a white top,white boots,two armbands on her wrists with a red jewel on each one and a collar with the same jewel,brown hair with blond locks and very darker brown eyes went out of the alley with a white bolt in her hand.

Nicole-What,never saw a superhero?" (Putting the bolt off)

Raven-Well,I think there's a new problem

BB-Who...who are you?(recovering from the shock)

Nicole-I'm Nicole, you can call me Nicky.And you are....

Robin-The Teen Titans.I'm Robin,the leader of the group.She's Raven,Beast Boy,Cyborg and Starfire.

Nicole-Hi nice to meet you.

Cy-Where do you from?

Nicole-From a place far away.Let's call it another dimension.It's very similar to your planet." (Looking around)

Star pass through her friends and she looked at Nicole with big eyes.

Star-How did you come here,what's your favourite color and do you want to be my friend?!?

Nicole-By a portal,white and..sure

Star-Ow welcome new friend!!!She hugged Nicky and then she let her go

Nicky-Thanks

BB-And tell me,where do you live?

Nicky-Well I came here two hours ago and then I met with that block of stone and I defeated it.I wanted to know new places and new people so left my house to do it.

Robin-I see...so what powers you have?

Nicky-I can shoot white strongers bolts,fly,marcial arts,thelepathy,theletransportacion and my secret power.

BB-What is,what is!!!!(Looking very entusiasmed)

Nicky-Umm...is a resplandecent white band.It helps me when I need it or when I want it.Its name is Clow.

Cy-Can we see it?

Nicky-Yeah,sure why not?

Then her jewels started to shine with white light and a resplandecent band came from them.It started to swing next to her.

BB-How did you do that!!(surprised)

Nicky-These jewels are portals to my mind.Clw always spends its time on there.

Cy-What it does?

Nicky-It heals anyone,helps me with my powers and it's a very good friend.

Clow started to go nex to Cyborg,it smelled him and did the same with Beast Boy.

BB-It's like a dog

Nicky-Yes I know.It always want to know the other people

Suddenly,Clow started to smell Raven,Robin and Starfire.They didn't liked it but Star started to giggle when Clow smelled her.Then,it leaves her and went next to Nicky,who was waiting for it.

Nicky-Don't do it again.Sorry, she's is acostumbrated to do that.

Rae-She?

Nicky-Yeah,I treat her like a girl

Star-Do you want to come to my home?She asked,waiting a yes

Nicky-If you want it,I'd like

Star-Perfect!!

They came back to the tower,and Star offered herself to show the tower to Nicole.

Star-This is the main room,where we play videogames,watch TV or see if there is any misions.Passing trough that door is the kitchen,where we eat breakfast,luch and dinner.

Nicky-Your house is amazing!.I have a very VERY big one but it's a castle,you know,without this things.

Star-Do you live in a castle?You are a princess?Asking it knowing that she's a princess too

Nicky-Me and my mouth".She thought to herself. Yes but I don't want to touch that theme.There's more to see?

Star-Yes!Here are the bedrooms".They walked a little bit near them.Here is Beast Boy's bedroom".They walked another bit.Here's Raven's room...

They walked along the hallway with Star showing to Nicole the Titan's room.They stopped in front of her own room.

Star-And this is my own room".Looking a little sad.

Nicky-Star,there's something wrong?

Star-No! everything is fine with you here

Nicky-Oh good.I though that you were sad,you know..

Star-Thank you for your attencion,but don't worry I am fine

Nicky-Good.What's there?Pointing at the gym

Star-The gym is there.All of us train there.

Nicky-And that door?Pointing at the roof door

Star-That is the roof door

Nicky-Can we go there?

Star-Sure!

They passed through the door and saw the sunset. The sky was beautiful, it had red, orange and yellow colours on the horizon.

Nicky-How nice!"She loved the sunsets like that one

Star-I always come here with Robin to see the sunset. I like it

Nicky-Yeah you like see the sunset and Robin

Star-WHAT??Blushing in a deep red

Nicky-It's obvious Star. You blushed when you said his name. Tell me, you have a crush on him?

Star-Umm....well...yes"Doubting if she really had to say that

Nicky-I understand you. Trust in me, I'll never gonna say that, it's a secret between us ok?

Star-Ok, but please swear it"now lightly blushing

Nicky- I promise.

They walked inside the tower smiling at each other.

2 - Nightmare

It was night now. The Titans were already to sleep. Nicole had to sleep in Star's room because she hadn't got one. Star put her pijamas on. It was a yellow trouser with two baby cats playing and a yellow top with a little cat looking very innocently. Nicole puts her pijama on too. It was a pink mini short and a pink t shirt with the words ~Very sweet girl~ on her chest. Nicky and Star were sleeping, but Star was having another nightmare.

****Star's nightmare****

She was alone, in the darkness. She heard a strange sound and turned to it, but there was nothing. She heard another sound and turned to it and she saw a black figure, it seems like a girl. She made some steps forward and the shadow disappeared. She was scared. Then she felt a horrible pain on her back and she fell onto the floor. *Who are you?* She asked very weakly as she started to get up. Then, feeling her entire body shaking, she asked again. *Who are- AAHHH!!!*. She felt like something hit her in the right arm and the stomach. She looked down at her body, she was bleeding. *Nooooo!!!*

She woke up. She was in the floor, someone was next to her and it was shouting her name.

Nicky-Star, Star wake up!! Starfire!!

Star-What....what happened? She asked looking around her room

Nicky-You were screaming and then you fell onto the floor. Are you ok?

Star-I-I think so...

The other Titans heard her screaming too, so they went to her room. Robin enter first, with the others following him. All of them were in their night clothes.

Robin-Starfire!! You're ok?

Rae-What happened here?

Nicky-Um, well... she had a nightmare, but she's ok.

BB-Another nightmare?

Cy-Are you sure that you're ok? I mean, the others nights you had a nightmare too.

Star-Yes friends, I'm sure. Please do not worry any longer for me and go back to sleep.

Robin-You will be fine?

Star-Yes friend Robin,I will."She said that sitting up

Rae-Ok,people go back to sleep

Raven closed the door behind her with the others outside of Star's room.Nicole looked to the door then to Starfire.She seems with a face of *What was that?*

Nicole-Starfire,please tell me,what happened?

Star-It was a simple nightmare" trying to lie

Nicky-Star,you can trust in me.Now,tell me

Star-Ok....I was alone in the darkness,and then something hit me on the back, the right arm and the stomach.I was bleeding and because of that,I screamed.

Nicky-Oh...ok.Go back to sleep,it's too late.

Star-Fine.Good night Nicky

Nicky-Night Star

And then,they went to sleep.It was day now.Robin always is the first to wake up,so he did it at 6.00 am.Then Raven woke up,Cyborg,Starfire and BB.Nicole was still sleeping.It was 10.04 am so Star went to wake up her.

Star-Nicole,Nicole..wake up"She said that touching her shoulder with a soft voice.

Nicky-Uhh?

Star-You were sleeping.It's 10.06 am

Nicky-Aah!It's too late!And I didn't ate the breakfast!

Star-Oh don't worry for that.We have all the day.

Nicky-All the day?You don't have to do any misions? She said that as she was dressing herself

Star-Acording to Cyborg,I think that we haven't got them.

Nicky-Good.

They went into the main room where their friends were playing,watching TV or meditating.Nicky ate her breakfast and sat down on the couch,next to Robin.who was very bored.

Nicky-Y como ha estado tu día? El mío esta aburridísimo.

Robin-What??

Cy and BB paused their videogame.

BB-You can speak spanish?

Cy-Like Mas y Menos?

She nodded slightly.

Nicky-Yes but it's not important.I thought that you know some spanish

BB and Cy started their videogame again and Robin watched at the two playing.

Nicole started to think where was Raven.She used her telephathy to see where she was.

Raven?"

Who are you?

I'm Nicole,don't worry

How you came here?

I can use telephathy powers, do you remember?

Yes.Well...it's pretty nice to know that you can use telephathy with me

Haha!Thank you

Your welcome

Ok,see ya later.

Bye.

And after that,she broke contact with Raven.Star came to the main room.

Star-Want someone go with me to mall?

Nicky-Yes!!

They went to the mall.They were looking at some formal clothes and uniforms.They were buying a lot of clothes.

Nicky-That's pretty!!She pointed a mini-mini skirt made of jean.

Star-I think that it's too short but it's pretty too.

Nicky-You have to change your look

Star-Do you think that?

Nicky-Yeah,it'll be very good to you."And then she whispered.*And for Robin..*

Star started to giggle at that words.They entered to the shop an started to look some jeans.The seller came behind them and started to talking.

Seller-Do you like this?

Star-Yes.How much is this?

Seller-\$55.00

Star-I would like to buy it.

Nicky-So?Take it".Star gave at the girl the money and she took the jean.

Star-And what about you? Looking at Nicky

Nicky-I'm going to buy this skirt" Pointing at the skirt that they saw before.

Seller-Thank you very much.

Nicky-Well,(looking at her watch)we must go.We were in the mall like 4 hours or more.It's 7.30.

But when they were leaving the shop,the wall nex to them exploded sending them onto the floor.Nicky sat up first.

Nicky-What was that?

Star-(sitting up)I don't know

A person emerge from the rests and started to walk towards them.

Nicky-Uh oh....

~With the Titans~

Robin was on his room working at his computer.Cyborg and BB were finishing their 5th videogame and Raven was in her room,reading a novel.But then,the alarm went off and they came to the main room.

Raven-What's the problem now?

Cy-It look like someone is attacking the mall.

BB-Star and Nicky are in the mall!

Robin-Hurry.Titans go! And they went to the mall.

.~With the girls~.

Nicky charged her bolts to the person and Star did the same but in the air.

Star-Friends! She shouted as her friends arrived to the scene.

Nicky-Yyyaaa!!! She shouted as she threw a bolt at the figure.It fell backward and sat up.Robin threw his discs and Cyborg shot his canon laser.Raven threw a big piece of glass and it broke on the figure in thousands of pieces,then Beast Boy transformed into a rhino and he tried to impact the person but he couldn't.He passed right trough it, and he crashed onto a wall.The others looked in surprise at the person and Star shooted a starbolt,this time she could touch it.It fell to the floor and when Nicky jumped in the air to kick it on the face,it disappeared.

BB-(recovering from the clash)Who was this guy? Rubbering his head.

Nicky-I ..i don't know.But it seems so familiar..." Looking at the floor where the person was lying.

Robin:-What do you mean?

Nicky:-Nothing.Just I thought that..." But she was interrupted by Cyborg,who was very hungry.

Cy:-Well guys it's time to dinner.We're gonna eat meat!!!

BB:-Noo!Tofu is better than that meat man!!

Cy:-No way.We're gonna eat meat,like it or not!

The Titans went to the tower,they ate their food and went to sleep.Star was having a strange dream again.

~~Star's dream~~

She was in the main room.Her friends were at the kitchen eating.Nicole and Robin weren't there.She was curious that day.She went to Robin's room to see if he was ok,but when she opened the door she saw that Nicole was lying on the floor,unconscious.She entered to the room runing forward her friend.

Star:-Nicole, Nicole!!!Wake up friend please!!

She didn't response.Star checked her pulse,she was barely breathing.

Star:-Please wake up!!

Nicky:-S-star,don't w-worry f-for me p-please.Go and find Robin, he's v-very bad.

Star:-Where is he? Looking very concerned at her friends who was lying in her arms.

Nicky:-He's, he is...." She couldn't finish her words, she was gone.

Star:-Noo!! She started to cry letting her friend on the floor, but then she heard a sob behind them.

Star:-Robin,is it you? Wiping the tears from her face.

She made some steps forward, only to find nothing.

Star:-Where...." But before she could say something,she heard screams coming from the main room.She ran through the hallway but whe she arrived to the main room,she found her friends lying on the floor.She couldn't feel anything,just sadness.She fell on her knees and started to cry.She woke up,sweating.She looked around to see if she was in the main room,but she was in her room,on her bed.

Star:-I'm going to drink a glass of water" She thought to herself

Nicky:-Another nightmare uh?" Turning to Star.

Star:-Yes. I don't know why I am having them.

Nicky:-Maybe I can help you.

Star:-How?

Nicole's jewels started to shine with white light and Clow came from them.

Star:-What you are going to do?

Nicky:(ignoring her question)-Put this around your head" Taking Clow in her hands and giving it to Star.

Star:-Ok but,what you're..." She was interrupted.

Nicky:-Just follow me.Put it on your head and close your eyes,please.

Star did what Nicky said.Then she heard Nicole's voice in her head and she told her that she shouldn't say and think anything.Then,she opened her eyes and saw Nicky with her head hided in her hands.Clow left her and started to swing around Nicole's head.

Star:-Nicky,please tell me,what's wrong?

Nicky:-Yo-you.

Star:-What's wrong with me?

Nicky:Do you remember the shadow?Well...it was...me.

Star:-WHAT?" Rising a bit her voice.

Nicky:-No! No that bad.It's a spirit and it takes my form to see you in your dreams.It wants to hurt you, and I don't know why.

Star:-Can you do something with this spirit?

Nicky:-Yes but not yet. I have to know why it wants to hurt you.

Star:-Ohh thak you very much friend!!

Nicky:-Shh! Don't make any sound if you don't want to wake up the others.Now,go to sleep; it's 4.11.Night Star." And they fell asleep.

Hi!!'m very sory because maybe this story has too many errors(I don't speak english,but I learned a lot of it). I'll finish it soon.Please,tell me what you think and give me some ideas!!

3 - A False Friend

The next morning all of them were awake in the main room. It was 6.00 am.

Nicky:-What's up?" Looking very tired and rubbing the back of her head.

Robin:-We have a problem on the east coast.

Raven:-Who's the stupid now?" Very hungry because she was to be awake at that hour.

Cyborg:-It looks that it's Overload.

Robin:-Titans go!" As he shouted that they went out of the tower but Nicole didn't. Starfire stood there.

Star:-Aren't you coming?

Nicky:-I can't. I don't belong to this team, I can't fight with them" She said sitting on the couch with a sad voice. Just go". Star nodded slightly and left the tower.

The Titans arrived at the city and saw Overload stealing energy from a radio station, but a black bolt came from nothing and it absorbed Overload's energy and Overload fell to the floor in the form of a chip.

BB:-Dude, I think that we're having too much help.

Robin:-Cyborg, Beast Boy take Overload to the jail. Raven, Star and I gonna see who was that person.

Cy:-Right." And they took Overload. The others went to the other street, where the bolt was from. They saw a girl running, escaping from them.

Raven:-We have to chase her?

Robin:-I think so." And they started to go after her. They were running for a while, but Raven was tired so she teletransported herself in front of the girl, letting her friends get closer. But when Raven looked at the girl she gasped. Her friends did the same. She was Nicole except for the fact that she had got a black outfit not white. She looked devil in that moment.

Robin:-Ni...Nicole?" He asked very confused.

Nicole:-What?" She said looking at him with a disgusted look.

Star:-You said that you couldn't come with us.

Nicole:-Oh really? I don't care what I said." (looking angry)

Robin:-What's the matter with you? (raising an eyebrow)

At that moment, Raven was trying to get in in Nicole's mind.

Nicole?Nicole?.Are you there? She never answered, but Raven could see some images that made her understand the situation.She got off of Nicole's mind and stared with surprise at her. Nicole was staring at her too, knowing that she had been in her mind and looking at her with an angry face.

Star:-Are you ok Raven? (noticing that her friend was mentally in another part)

Raven:-No...She's not Nicole...get away from her.

Robin:-What do you mean?

Raven:-She's dangerous, Robin.” Raven said that flying faster to her friends but, before they could leave, Nicole said something.

Nicole:-I see that you figured out who I am, but not for long time”.She threw a powerful black bolt at Raven but she dodged it.

Robin:-Who are you? He asked getting angry, knowing that a friend never would do that.

Nicole:-It's not important”. Starfire remembered that phrase.The girl in her dreams said it.She wanted to attack her, but she couldn't.She had the appearance of her friend.She went back to the reality when Robin shouted her name.

Robin:-Starfire, watch out!! . She barely dodged the bolt that was coming to her.Raven took a big piece of cement and she threw it to the girl but she dodged it.Robin threw at her a bird-a-rang and two icy-discs.The girl dodged everything except one icy-disc so she was stuck to the cement.she tried to get herself free but she couldn't.Star was about to throw at her a starbolt,but the girl looked at her with a big rage so she got scared a little and when she did it, the girl disappeared.

Star:-I....i can't believe it.

Robin:-Don't kick yourself for not attacking her,Star.

Raven:-Yeah, she wasn't Nicole.

Star:-But,so...who was her?

Raven:-I don't know but I'm sure that she isn't Nicole...at all.

Robin:-How do you know?

Raven:-I used telephathy with her.She didn't answer but I saw images that made me believe it.

Star:-And what they were about?

Raven:-I don't remember very good, she erased them but I saw in her evil...too much evil, and believe it or not, she's...Nicole” Her friends didn't say nothing but stared at her in disbelief.

Star:-How...

Raven:-I don't know but let's get home to ask her.” And with that they went to find the other Titans.They were leaving Overload in the jail and they told the whole story to them.They couldn't believe it, but was the truth.They arrived at the tower and saw Nicole lying on the couch, sleeping. Star flew toward her and she woke up.

Star:-Nicole wake up

Nicole:-Uh?. Ah, what do you want?” She asked rubbing her eyes

Robin:-We have to talk.

Nicole:-About what? (sitting up)

Raven:-You.

4 - Enemy

Nicky:-What's wrong with me?

Star:-We saw you in the city and you tried to attack us.

Robin:-You almost hurt Raven and Star

Nicky:-But I were here all the time.Why you don't believe me?!?

Star:-But you and her was the same person” Nicole looked at her in horror, and then she asked

Nicky:-How...how she looked? (trying to hide the worryness)

Robin:-Well, she looked the same but she had a black outfit

Raven:-She didn't acted like you but I got in her mind and I found...” Raven couldn't finish her sentence, she was interrupted.

Nicky:-I know what you're talking about...I have to say the truth...I lied to you.

Cy:-What?!?

Nicky:-I didn't came heer to meet new places and people, I came here to cath my...let's call her my sister.

BB:-Your sister?! That person was your sister?!?

Nicky:-No! She's me but..she's my bad side, not me.

BB:-Ahh...didn't understood.

Nicky:-I need to get her back. Ifi I don't, she will destroy everything.

Robin:-We can stop her.

Nicky:-No Robin! You can't. She has got my powers too and all of my bad feelings and with that she can hurt you vary badly.

Star:-But...

Nicky:-No Star. This is my own battle. I have to find her.” Nicole picked out Clow of her mind.

Nicky:-I must go.

Star:-No! please,let us help you

Nicky:-Ok but don't forget that I warned you.” Then she closed her eyes and they disappeared.They went to the pier 25, where Nicole's bad side was.

BB:-Where we are? (lookin a little confused)

Nicky:-I teletransported you.We are on the pier 25.There” She pointed at an abandoned warehouse.They went inside.All was darker, except for a little light the was in the middle of the building.

Nicky:-Be quite.Don't make any sound” She said as steps were heard at the far corner right to Robin.

Robin:-She's there” He said as he took out his bo-staff.All of them were ready to fight but the girl appeared infront of Nicky.

Nicky:-You” She said with an angered face and she charged to her.

Nicole:-What,you're scared of me?

Nicky:-Why should I?

Nicole:-You're gonna see why” And she charged to Nicky a powerful blackbolt and Nicky dodged it.

Robin:-Titans go!

Nicole:-I'm not going to let you bother me again” She said as she threw a bolt Robin.He dodged it but he was hit in the back by another.

Robin:-Aahh!!

Star:-Robin!! She flew to him and helped him to get up.Raven took a big piece of metal.

Raven:-Azarath, Metrion, Zinthos!! The girl disppeared under the metal before it could hit her.She appeared infront of Raven.

Nicole:-You thought that you can beat me like that? She said and she hit Raven right on the face.Raven fell to the floor and Nicole(bad side) threw to her a bolt with rage.

Raven:-AAAHH!!! Raven shouted before she fell unconcius.She threw one to Cyborg, causing him to fell onconcius too.

BB:-Raven!! He ran towards her.

BB:-Rae,are you ok? She didn't response. Raven..AAHH!!! Nicole(bad) threw at him a bolt and it knocked out him.Robin saw this and he ran right to her and he gave her a kick on the back.She fell to the floor and Robin threw at her a bomb but she disappeared again.He looked down where she was

lying.

Robin:-Damn” He said in an angered voice.

Nicole(bad):-What?Missed me? She said sarcastically as she appeared behind him.When Robin turned to see her, she threw at him a dangerous bolt, making him fall onto the hard floor.

Nicole(bad):-How could you think that you could beat me? She said as she charged a big bolt at him.

Robin:-No...” He said very weakly

Nicole(b):-Goodbye” But before she could throw it to him, Star shot a several starbolt to her hand and Nicole took it, trying to make the pain disappear.

Nicole(b):-What the-

Star:-Don't ever touch him.

Nicole(b):-And what you're going to do if I do?

Star:-I'll make you regret it.” And she charged a starbolt.Nicole(b) did the same too.

Nicole(b):-We'll see that” And they shot a chain of several bolts to each other.After that 5 seconds Star didn't hear anything so she went to see if her friend were ok.But she found Nicole(good)lying on the floor.She didn't know why but she was there.It reminded her something.My nightmare” she thought and then she saw Robin almost conscious.She heard a sob behind her and saw Raven, Beast Boy and Cyborg on the floor.

Nicole(b):-Maybe this reminds you something” She said with a evil smirk on her face.

Star:-Why you're doing this? A small tear ran down her face

Nicole(b):-I'm just bothering my sister and I'll destroy everything she cares about”

Star:-Why? She asked softly

Nicole(b):-None of your business” She charged a blackbolt at her and shot it but, Nicole(g) destroyed it.She was awake now.

Nicole(g):-If you want to fight, it'll be with me” (with a whitebolt on her hand).Nicole(b) got very angry and shot at her a big line of her strongest blackbolts, but Nicole(g) was being protected by Clow.Nicole(g) was starting to charge a VERY big and powerful whitebolt and when the other Nicole saw this, she started to shoot at her more blackbolts but Clow never would let her owner get hurt.Star was there, stoned.

Nicole(g):-You tried to destroy me and my friends...and you will pay for that” she said as her whitebolt was turning bigger than it was.

Nicole(b):-Noo! She shouted as she was shooting more blackbolts but they didn't anything to her.

Nicole(g):-Star wake up the others and get them out of here

Star:-Yes but you will be...

Nicole(g):-Just do it!!! . Star flew to the three Titans and they went out from the warehouse.The, she flew to Robin.

Star:-Robin!Robin!We need to get out!Wake up, please!

Robin:-What...what happened?

Star:-Nicole is fighting her sister! It's dangerous to be here! She told me that we must go!

Starfire took Robin's arm to help him to get up but they heard Nicole's scream.They turned to her and Robin stared at her in surprise.Nicole couldn't support the power in her hands.

Nicole(g):-Get out of here!! . She couldn't support it anymore.

Nicole(g):-AAHHHH!!!! And she threw the giant whitebolt at her sister, who screamed in a very loud tone.The white light envolved the two sisters, Robin and Star saw it coming, so Star hugged Robin covering him, trying to protect him.

Star:-AAHHH!! She screamed loudly as she felt the pain on her back and then on her entire body.The other Titans were outside of the building and they heard the screams but they couldn't get in because Nicole's power was blocking the entrance.Then, the big shining faded into a little shining around Nicole's body, who was lying on the floor.Nicole's sister was standing there, infront of Nicole.She was looking at her in rage.

Nicole:-I will get revenge, I promise” And she faded into a black light and went into Nicole's jewels.Robin was staring at Nicole but then, he felt Starfire's body falling to the floor.
