1 - Puddn

One day Parameetheus got a pudding cup but it tasted blan in a plastic pudding cup so he put all the putting into a stirafoam spider foot the size of a shoe with a hole in the toe. It was yucky and so he tried with a paper plater the shpae of a patatoe, a cow haert made of metal, a broken computer, and even of Phileasticleas's small pony-tale but still nothing worked. SO parameetheus asked his pet cocanut Abraham and he said"....." that was the best idea yet! He went to costco and ate it off a stinky masauge chair but it tastes like relaxed tooshy paste creme for sore tooshys!so Parameetheus walked with his paste-creme pudding and found a small cardbaord box and ate out of it.....It was DELICIOUS!! dispite the awful masauge stuff it was the best pudding ever. prameeteus walked home and every time he had pudding he goes to costco and eats it out oif a cardboard box
