**Chapter 1 - the darkness**

**2**

## 1 - the darkness

i smile down  
a ray of hope shines upon your face  
then my sight fades  
and you with it  
i am plunged into slumber  
never to wake on my own  
nightmares haunt me  
they eat at my heart  
they tear at my soul  
i cant find respite  
no end to this eternal battle  
and then  
as i struggle in the dark  
she pulls me up  
then i see again  
i cant even speak  
i know you were there  
watching as i fell  
and thankfully  
you were there
