Meanwhile in a little town in Iowa,

Come on Corey wake up your going to be late for your finals!!!. I will be right down mom Corey replied. Corey was quite a weird child he had a fascination with death...(hes not emo btw). Corey came downstairs with his usual attire on...black shirt, black jeans and tennis shoes. Corey didnt fancy breakfast on most days but even did fancy breakfast he couldnt have any today because today was finals! See Corey was 15 and about to finish his first year of high school. Corey ran out the door...he hated facing his dad in the mornings.As Corey came to his bus stop he was thinking about the one person at his school who seemed to care about him...her name was Dannika, she and Corey had been friends since first grade and shared the same interest in death and other things that are spooky... Corey got on his bus and saw Dannika being hit on by one of the biggest douches in the school Jake...Corey hated Jake with his all of his heart. Corey was in no mood to deal with Jake today so he just took his seat in the front of the bus but it didnt take Jake long to notice Corey's presence on the bus so he seat jumped upto Corey's seat. Wats up loser? Corey repiled with get lost im in no mood today. Ohh come on where friends right Corey? Jake said in his gayish voice. Im Serious get lost Jake go bother someone else
