## 1 - donulds story

One day there was a guy named Donald who drove a tank and he decided to go to an anonymous food shop. Then he took it over and called it mcDONULDS. Then he thought I need to be the burger king so he decided to go to Burger King and after a long time he finally took his crown from the burger. Then as plotted at his food shop he thought he needed one more thing so he decided to attack Wendy's. So after a long journey he was there and he fought Wendy until he got her braces and then he decided he was the king of burgers so he destroyed his two vehicles and then he became the king of burgers so he retired. THE END P.S that's why you never pull up to Donald's house in a tank.
