What's This Feeling?

What's this feeling?

I feel something that I've never felt before,
I see blood running down my arm,
It's my own blood.

For the first time, I am injured and bleeding,
This feeling must be pain.

My uncle told me about it when I was young,
He had said that there is one type of wound that would never heal,
And that's a wound to the heart,
I have two never ending wounds in my heart where my uncle had tried to kill me.

Hatred has taken over where love should be,
I don't know if I will ever love again,
But at least I know that I won't have to go through what I did so many years ago again.

My uncle was right,
A wound to the heart will never heal,
And I will go on hating and killing for the rest of my life.

I am Gaara of the desert,
I love only myself and I care for only myself,
That will never change.
