Chapter 1 - friends forever	2
Chapter 2 - friends	3

1 - friends forever

We will be friends
Friends forever
We will stand strong
Stand together and forever
Now we must move on
I will go to Sydney
You to Melbourne
But we will still be
Friends forever
The memories last
They last forever
That's why we will be
Friends forever

2 - friends

Everyone needs friends even you
Everyone needs someone to lean on
Friends will be there if you fall upon the ground
Friends will be there when I come around
Friends will catch you when you fall again
Friends will come round when you hit the ground
