Chapter 1 - The Entrance

1 - The Entrance

The talking, uncertain noise, it means nothing.
When I look into your eyes, the truth remains...
I cannot hear you anymore;
My vision blurs and I sink to the floor.
Don't try to explain-
I don't need to hear it.
Nothing matters now
But what I left behind.
The past pulls me in,
A great black hole,
A doorway to peace.
Forget all that happened,
All that exists,
And sink
Slowly, inch by inch
Into the magnitude of
Blissful ignorance
That lies within.
So don't try to make sense of it
For I just don't care because, finally,
Now I am leaving it all behind.
